ON THE BALL
with ALLEN BATSFORD

We welcome Gloucester City players and officials for this 2nd leg Southern League Cup Final.

A good sound performance in the 1st leg backed up by some smart work by Ray Goddard and topped by a goal by Stuart Pearce gives us a one goal advantage, but this is not enough and we must be looking to increase our lead.

Saturday's game against Hayes was a disappointment for a County Cup Final. When I saw the state of the pitch I decided to leave Alan Cordice, Robin Wainwright and Dennis Byatt out, all three have had injuries and I felt that we had so much at stake to play for that it would be unwise to risk further damage. Both the Hayes manager and myself registered a protest to the Middx. County officials regarding the state of the ground before the game.

We have arrived at a most crucial time in the season, we need all the help we can get. I know we have a great band of supporters and we do appreciate you, but I am now asking **for more**, more noise, more songs, more chants. Lets all make a great effort to finish the season in a blaze of glory, just one thing lads, keep it clean.

Thanks a lot.

SUPPORTERS CLUB NOTES

Good evening to you all. We extend a warm welcome to the players, officials and supporters of **Gloucester City** and also to the officials of the Southern League and trust that you all enjoy this evening's League Cup final, second leg. Last Monday evening a goal by Stuart Pearce gave us a victory in the first leg with Ray Goddard being the "Man of the Match" pulling off a string of fine sales to deny the home forwards. Our thanks go to Gloucester for their hospitality last week — unfortunately due to a Council ruling we are unable to provide any musical entertainment at midweek games, the band at Gloucester and the dancing Majorettes at Gosport recently were much enjoyed by our travelling supporters. Nevertheless a disco is being held after this match in the Social Club — please listen out for the tannoy announcement for full details.

We are holding a special raffle tonight with five prizes, the draw for which is made at half-time. Tickets are still priced at 5 for 10p and are on sale around the ground this evening. The latest edition of Southern League News is on sale in the Club Shop this evening which includes two letters from our supporters. Incidentally, the "Harrow & Wembley Independent" newspaper carries a centre-fold feature on Wealdstone in its latest edition — we hope to have some of these available tonight.

This coming Saturday we return to league action when our visitors are Waterlooville and your continued support in the final stage of our promotion campaign is vitally important. We realise that many of you are unable to travel to away games and with three games a week at present it can be difficult to attend them all. However, we would ask you for your support in our remaining five league home games.

Back to this evening's game and our second cup final in three days. Let's get behind the team from the kick-off to lift the lads to our first success in the Southern League Cup.

UP THE STONES!

Dave Heath

NON-LEAGUE NEWS

The non-league F.A. competitions reached the semi-final stages last Saturday. In the second leg of F.A. Vase semi-finals Forest Green of the Hellenic League lost 1—0 at home to Blue Star but go through on aggregate by 4—2. Their Wembley opponents will be Rainworth of the Notts Football Alliance who defeated Barton Rovers 2—1 before a 5,071 crowd after a goalless draw in the first leg. In the first legs of the F.A. Trophy Enfield held their host Northwich Victoria to a goalless draw and must fancy their chances of reaching the final in the second leg at Southbury Road. The remaining Isthmian side, Wycombe Wanderers, were leading Altrincham at Moss Lane with a late goal by Ken Wilson. The Alliance side hit back in the last minute through John Rogers to keep their hopes alive. In the Alliance Premier League A.P. Leamington's hopes of avoiding relegation for the second time were dashed when they lost at Worcester City last week. It is now mathematically impossible for the club to escape from the bottom position — so far in their 38 games they have conceded 100 goals. The other two relegation positions are being contested between Barnet, Dartford, Kettering and Gravesend.

THE MINERVA FOOTBALL CO. LTD.

A family firm founded in 1955 by Managing Director, Adrian Metselaar. Five of his six sons and a nephew are employed in the business. From its small beginnings in a little shop in Wood Green, the company has progressed to become one of the leading British football manufacturers, with production units in Europe and the Far East.

At one time or another, we have supplied every League Club. Among the Clubs currently using Minerva footballs are Tottenham Hotspur, West Ham Utd., Rotherham Utd., Newcastle Utd., Charlton Athletic, Millwall, Oxford Utd., Brentford, Reading, Blackpool, Crystal Palace and several others.

Centenary Cup Winners, Tottenham Hotspur F.C. have, in fact, used the Minerva Supreme Leather Match Football for over 25 years. Among the non-League Clubs, Enfield Town and Barnet of the Alliance League have used the Supreme for many years.

Export sales now account for almost 2/3rds of the total sales with Scandinavia, Australia and the Middle East our main markets.

An amendment to the rules in 1955-56 compelled all clubs to take part in the competition — up to that time clubs had the option of entering. Yeovil Town have been the most successful club winning the trophy on four occasions, appearing as finalists on no less than seven times. No club has yet scored a hat trick of wins although Plymouth Argyle won three times in the first four years. Headington United (Oxford United) are the only other club to have won the cup two years running: in 1952-53 over 10,000 people saw each game.

The present Cup, known as the Worcester Vase, is valued at £6,500 was originally a "bowls" trophy and was purchased in 1953 for one hundred guineas (£105). Wimbledon achieved the "double" of league championship and league cup in 1975/76 when they beat Yeovil Town in the final. The current holders, Bedford Town, were knocked out by Aylesbury United in the 3rd Round whilst last year's finalists Bognor Regis Town now play in the Isthmian League. Over the last ten years of the competition the southern based clubs have a slight edge on their northerly rivals having lifted the cup on six occasions.

(Our thanks go to the Southern League for their help in compiling the above).

PRESENTATION

The Southern League Challenge Cup will be presented to the winning team, together with tokens for the players, by the chairman of the Southern League Mr D. J. Setterfield. In the event of the aggregate scores being level at the end of 90 minutes a further period of 30 minutes will be played. Should the scoreline still be level a third match will be played with the choice of ground being made on the toss of a coin.

WELCOME TO OUR VISITORS — GLOUCESTER CITY

THE CLUB

Founded in 1889 it was not until 1935 that the club turned professional when they joined the Birmingham Combination. Four years later they had their first taste of Southern League football in the West Section of a restricted war-time competition. It was not until season 1955-56 that the club won their first trophy in the competition — the Southern League Cup — and finished in seventh place in the league. Between 1948-51 they reached the first round proper of the F.A. Cup on three occasions being defeated by a Football League club each time.

In season 1964-65 the club moved to their present Horton Road Stadium and achieved their record attendance against Wimbledon in 1966 when 7,500 packed into the 10,000 capacity ground. In 1979 the club was boosted by an extensive sponsorship programme set up with Westbury Homes — one of the top ten house builders in the country, who are based in nearby Cheltenham. The company has a large sports complex which is used by the team for training.

ALL MEMBERS AND GUESTS

Last season the "City" reached the semi-finals of the Southern League Cup going out to the eventual winners, Bedford Town, by an aggregate score of 3-2. The first round proper of the F.A. Trophy was reached for the first time whilst in the league they finished in 13th position scoring the most number of goals in the league (82) with Dave Lewis finishing the league's highest goalscorer with 27.

Last season Bobby Campbell was appointed full-time manager and this season under the management of Dave Stallworthy and a full-time staff of three the club operates in a most professional manner with the ultimate aim of bringing League Football to Gloucester. Bobby Campbell has recently left the club and the team's centre-half John Layton has taken over the reins.

THE PLAYERS

In goal for the "City" is 20 year old **NICKY CORNWELL** who is in his first season with the club. Full-back **BOBBY BROWN** (32), has had wide experience with Weymouth, Bath City and Minehead and is also in his first season, whilst **LINDSAY PARSONS** (34), had many years as a full-time professional with both Bristol Rovers and Torquay United, leaving Taunton Town for Gloucester midway through last season. Centre-half **JOHN LAYTON** (30) was previously with Hereford United, has just recovered from a broken leg and is now player-manager in succession to Bobby Campbell. The club captain, **DAVE BRUTON**, completes the City defence, aged 29 he is in his first term, having previously played at Bristol City, Swansea City and Newport County (who paid £20,000 for him). **JOHN EVANS** (30) has been at Horton Road for the past six years and made 49 appearances last season — an attacker who can also play in midfield. **ASHLEY GRIFFITHS** is the club's most recent signing whilst **TERRY PATERSON** (26) has been with the club for five years and has seen service with Redditch and Cheltenham. Second leading goalscorer for the past two seasons he is married with two children. **IAN DOYLE** is aged 23 and was signed from Bristol City midway through last season, **MARTIN WHEELER** (25) previously played for Bristol Rovers, his home team, and was signed in November from Bath City for a four figure fee. **MIKE BURFORD** was born in Gloucester and joined from Hereford United 2½ years ago. **DAVE LEWIS** is aged 30 and is married with two children. The Club's leading goalscorer last season he made over 400 appearances for Cheltenham and is now in his second term at Gloucester.

THE CITY

A bustling manufacturing centre with a population of over 100,000 Gloucester was once the Roman fortified town of Glevum, for centuries the guardian of the routes into Wales. The opening of a canal in 1827 between Gloucester and Sharpness made the city an important inland port. The cathedral was built in c1350 to commemorate Edward III's victory at Crechy in 1344 and its stained glass east window is the largest in the country after York Minster, measuring 72 ft by 38 ft.
