## Comments from the Boardroom

Good afternoon, folks. The First Round Proper is always a big day in our football calendar, when our Football League brethren join us on the road to Wembley. I'm sure that the terraces will be well patronised with a partisan crowd. Let's hope the weather is in benevolent mood, as befits the occasion.

It's always a pleasure to welcome Football League sides to Lower Mead, so today's greetings to Player, Officials and Supporters of Southend United carry a special cordiality. We hope they enjoy their visit to Harrow, and a safe journey home.

Southend United have proved themselves doughty cup-fighters, and "Giant-killers". Last season they accounted for our near neighbours, Watford. We, ourselves, are not without honour, in the major domestic cup competition. We shall today be seeking to re-establish the status of the north-western suburban area. All in all it should add up to an afternoon of entertainment and thrills.

Part of the attraction of Cup football is that if you don't get a result first time round, you get a "second bite at the cherry". Should today's encounter be drawn, the replay will be at Southend, on Monday evening, k.o. 7.30 p.m.

One friendly word of advice, mainly for the benefit of first-time visitors to Lower Mead. It is our inflexible policy to prohibit encroachment over the fence, throughout the match. We have visited one or two grounds this season where, unfortunately, the home side have not been so insistent as we, on this point. It is unfair to the players, and you place yourself at risk, so **please** stay the right side of the fence.

The recent improvement in our fortunes has resulted in an upsurge in home attendances. Unfortunately, a few have chosen to enter by the "back door". Naturally, we shall take steps to eliminate this, as we have done before. Could we ask you, to please ensure that you obtain an admission ticket, on entering the ground, and retain it during the game. If you **are** asked to produce it I am sure you will appreciate that you are assisting in the clubs best interest.

Enjoy your afternoon. Let's have plenty of vocal support for your team, and make it a truly enjoyable cuptie for everyone.

BILL EMERSON

## 1st XI News

As a result of recent alterations in the fixture schedule, we have been without a first team fixture for eleven days. At first sight, this does not appear to be the ideal build-up to today's match, but to put it mildly, the confrontation with Bangor City was a hard, physical contest, and the respite has provided a welcome chance to get the players match fit, and "rarin' to go" today. Training spells have been to a 'build-up' programme to ensure the players run out today in peak condition.

Bangor City, on their first visit to Lower Mead, made it bruisingly obvious that they were prepared to "mix it" in order to achieve their objective of sharing the spoils. All credit to our lads at the rear in demonstrating so capably their ability at soaking up the pressure. They contained the visitors' attack so efficiently that Ian Cranstone had a comparatively quiet match.

In the opening fifteen minutes the 'Stones launched several attacks on the visitors' goal, but tough tackling from the Bangor rearguard nullified our efforts to convert our pressure into goals. Colin Johnson turned in another hard-working performance on the left flank, whilst his namesake, Nigel, and Neil Cordice were subjected to close marking by the opposition. Bobby Moss kept the Bangor 'keeper on his toes by menacing runs onto cross balls from the left flank. 'Stones should have gone in at half-time with a goal advantage, but unfortunately Robin Wainwright was well off target when presented with a chance on the half-hour.

Early in the second half, Cordice eluded his markers but again the vital shot was off target. Although the referee had been in a somewhat benevolent mood throughout, the tough tackling of the visitors eventually earned his disapproval and Lunn received a yellow card for a notably dangerous tackle on Colin Johnson.

Despite the absence of goals, interest remained throughout, and brought a point well and truly earned. It is worth noting that the match produced our fourth consecutive "clean sheet", and if Ian is not called upon to retrieve the ball from the net today, he will equal his record of two seasons ago, when we went five matches without concession prior to the Paganese match in the Italiah tournament.

### Open Forum

Some of our regular features have been curtailed this week as I felt that a photograph of Southend United would be appreciated on this occasion. So shoot me!!

As requested, the players christian names have now been included, so that's some more satisfied customers.

We shall soon be starting another fund raising scheme, so if you want to earn some extra cash for yourself or your sports club, contact me, or Barbara Robson. You'll only have to sell the tickets once a year to your clients.

### Manager's Notes

For printing reasons, these notes have to be written before I attend the Supporters' Club A.G.M. It's an evening I'm looking forward to, and perhaps it will give me some interesting topics for our next issue!

While the recent results have been very encouraging, I'm fully aware that we still have a little way to go before we get our system perfect. We are learning all the time, and our greatest lesson came in the recent game with Bangor City.

As I write these notes, we are preparing our build-up for this afternoon's clash with Southend. We will aim at keeping the players relaxed during the week, with a build-up similar to any other game, and using just one extra training session. We shall know at 4.40 p.m. this afternoon whether we were right.

The place has been buzzing with reporters since the draw was made, and I have given the players a free hand to talk to the press. From my point of view, it's nice to see the lads receiving a little V.I.P. treatment—I'm sure after their recent achievements no-one could begrudge them this.

I know that they are keen to put up a good display for you all today, and as you know, Wealdstone players don't give up without a fight. So get behind us from the kick-off today, and we will try just for you—O.K.!

**Reserves**

Two successive Saturday Home matches have brought our Reserve side four good points with victories over Redhill (5—0) and Wembley (3—1).

Goalscorers against Redhill were Paul Abell (3), David Pearce and G. Cordice one each, Abell and Cordice scoring against Wembley with Mark Adams obtaining the other.

Fred Barlock and Seamus Horgan have both appeared in these matches (Fred twice) and Seamus (once) to help Ken Payne and his medical staff to judge their match fitness for today's game. We have also seen another Cordice in action, endeavouring to match his brother's goalscoring capabilities, with a goal in each game. Another newcomer to the team has been young goalkeeper Keith Soundy and another youngster, Paul Robinson showed promise in the second half against Wembley.

Team (v Redhill): K. Soundy, B. Cronin, J. Plaskett, S. Milson, T. Wiseman, M. Davie, F. Barwick, M. Adams, P. Abell, G. Cordice, D. Pearce.

Against Wembley Horgan appeared in place of Wiseman, Tommy James for Davie, with Robinson playing the second half substituting for Pearce.

**Youth Team**

Two more matches against our near neighbours Harrow Borough have failed to solve the F.A. Youth Cup Tie following the no score draw at Lower Mead, a replay at Earlsmead resulted in a 3—3 draw after extra time. Our lads fought back after being two goals in arrears. Early in the second half. The second replay at Lower Mead produced exactly the same result but here it was our opponents turn to fight back after being two goals down just after half time. At the time of writing these notes it can only be reported that efforts are being made to play a fourth match at Earlsmead during the week, and it is hoped that a definite result has been achieved by the time you read this programme. The prize for the eventual winners is a home time against "The Spurs". To summarise, 22 players have given 100% effort and provided the spectators at the three matches with some magnificent entertainment.

**Supporters Club Notes**

Good afternoon to you all. Today we have the pleasure of welcoming Football League opposition to Lower Mead in the shape of Third Division Southend United—"The Shrimpers".

It is some measure of Wealdstone's growing status that we have appeared in the draw for the First Round Proper for the past five seasons—and are now expected to cause an upset. Indeed, many bookies will be praying that we lose, so heavily have the 'Stones been tipped to win in both the national and local press.

But one thing's for certain: the 'Stones will need every scrap of our support if they are to reach the Second Round, so get with the team right from the kick-off today.

Should The Shrimpers manage a draw today, the replay takes place at Roots Hall on Monday night. Coaches leave Lower Mead at 4.30 p.m., and Barbara will be taking bookings in the supporters club hut after the game.

The coach for the Altrincham game on **Monday December 3rd**—our League Cup Quarter Final—leaves the car park at 2.30 p.m., arriving home about 1 o'clock next morning. Please let Barbara know **early** if you want to travel on the coach to this important game.

Southend warmed up for today's cup tie with a 2—0 defeat at Hillsborough against Sheffield Wednesday, while we had a free Saturday after the Bangor City game had been brought forward. That resulted in a dreary 0—0 draw on Tuesday—and the supporters' chant of "Boring, boring Bangor" hit the nail right on the head. Their offside tactics were altogether too predictable. We comforted ourselves with the thought that Bangor are unlikely to win anything this season—apart from the "Cambridge City Trophy" for enterprising football.

Enough of this jollity, we're not here just to enjoy ourselves but to cheer the 'Stones into the Second Round . . . then the Third Round . . . and thence into the record books.

**UP THE 'STONES! POT THE SHRIMPERS.**
