Congratulations to John King and his team on reaching Wembley again this year. You are the envy of every non-league football club at the moment, and have every right to be justly proud.

Personal congratulations also to Mike Tomkys and his team at Harrow Borough on winning the Isthmian title. It came as no great surprise to me, as having known Mike for several years I know that he has been patiently building his side and club for such a season as this.

This is our last home game of the season, and therefore the last opportunity from the players and myself to thank all of our loyal supporters for their presence, especially when we were away from home on long trips.

My thanks as always to our backroom staff for their usual efficiency and help during what has been at times a trying season. Organisation at this level is of paramount importance, and whilst I am still learning and forgetting things, I know I can rely on those very people to do everything in preparation for a game, with the minimum of fuss or in fact recognition.

I look forward to seeing the players, directors, our staff, and you the supporters on the 20th May at the Players Award function, when I hope we can all enjoy a super evening together.

See you later,

## **THANK YOU SUPPORTERS**

ON Saturday we received another cheque for £1,000 from the Supporters Committee. The Board wishes to thank all the members of that committee for this most generous donation towards the clubs hard pressed funds.

We would also like to sincerely thank that Committee for all the hard work, that each and everyone of them put in on our behalf at Lower Mead Stadium during the past season.

As the Club Chairman I would like to thank you all personally for your continued support and your understanding of the financial situation that faces all Clubs of our standing. It is this help and understanding that makes all our efforts worthwhile.

We fully appreciate that at times some of the Boards decisions are not appreciated by some people on the terraces but after some explanation the majority do try to see why some unfortunate decisions have to be made.

When the Supporters Committee comes forward with these excellent donations from time to time, we on the Board know that you are behind us, in spite of the media thinking otherwise.

Thank you once again most sincerely for your full support and wonderful donations for the season 1983/84.

Long may it continue.

**D. MORRITT, Chairman**

## **THANK YOU JULIE**

JULIE VERRALL the "Mum" of the Supporters Club is retiring at the end of the season after 28 years service with the catering side of the supporters tea huts at Lower Mead Stadium.

During that time she has run the tea huts under Jock Law, as the supervisor, and indeed helping us out in the social club by cooking the main meals for various functions.

In recognition of the sterling work she has done for us over those many years the serving Life-Members, with the full approval of the Board are conferring on her Life-Membership of Wealdstone Football Club. Congratulations Julie, you are the first woman life member of the Club.

Thank you Julie once again for all your help, please make sure you give us your support for another 28 years.

Thank you sincerely,

# WHERE HAVE ALL THE CROWDS GONE ?

by Graham Sharpe

WHEN I was a youngster, in the early sixties, I used to go along and watch Wealdstone play - invariably there was a large crowd there at Lower Mead, and whenever the opposition was really local, say Enfield, Barnet or Hendon, the crowd went up to several thousand.

Today the Borough of Harrow can boast, with no exaggeration at all, two of the finest non League football teams in the country - Wealdstone, one of the top five teams in the Alliance Premier League, and hence outside of the Football League, and Harrow Borough, champions elect of the Isthmian League Premier Divisions, one of the toughest of all competitions.

And neither of them can attract more than a few hundred hardy supporters along to their matches. Why?

It can't be that the fans want to watch a successful side, otherwise they would have flocked along to see the Stonies or the Boro, both have done consistently well for several seasons and, indeed, on occasions when they have enjoyed Cup runs large numbers of people have turned up - only to stay away again next week.

Perhaps people prefer to go and watch League soccer. That's possible, but League crowds are also falling, it costs more in travelling and entrance fees to get to a League match and there is the ever present problem of crowd trouble.

I think the answer is probably that there are far more alternative attractions these days than there ever were twenty years ago. It cannot be denied that most soccer grounds are designed with spartan facilities and few luxuries - they need improving, certainly, but with video games, squash clubs, foreign holidays and luxurious restaurants the norm rather than the exception for most people, they are just not prepared to accept second class treatment - and that, I'm afraid to say as one who is still a regular match-goer, is just what they are served up.

Football won't win the fans back until it stops thinking it has a divine right to expect them to turn up and realises that it must offer them more than forty five minutes each way and a cup of bovril for their admission money!

## WILL THE DOOR OPEN ?

WITH the end of the season rapidly approaching, and the Alliance Championship still wide open, the day will soon be here when an Alliance side will attempt the impossible ... Promotion or for a better word election to the Football League.

Our league is about to complete its fifth season in existence. Whatever has been said over the years, there is no doubt that for progressive clubs like Wealdstone, the formation of the Alliance was justified.

While non-league standards, as well as Football league standards have fallen, the Alliance has if anything improved, witness the difference between the Alliance and the Southern and Isthmians in general.

But the longer the door to the football league remains closed, the less interested people will become in the Alliance. A typical example was in season 1982/83 when Hayes of the Isthmian League were given the opportunity of joining the Alliance, they declined as they saw further progress unlikely.

Quite what a club has to do to become one of the elite 92 is difficult to see. Remember Altrincham in the first two years of the Alliance? More baffling is a statement from the Football League Secretary last month to the effect that a football league club which ceases to exist will not be replaced. "It is the intention to reduce the league in order to make it more manageable". Are they waiting for 30 Clubs to go bankrupt??

The one ray of hope was a proposal in the summer of 1983 by Ken Botes the Chelsea Chairman for the top Alliance Club to replace the 92nd Football League Club, providing the facilities etc. were of the approved standard. It was narrowly defeated. Roll on the Football League A.G.M. I can't wait.

STEVE MARSHALL

## PEN PICTURES - NORTHWICH VICTORIA F.C.

**DAVE RYAN - Goalkeeper:** Has missed just one league game in the Alliance in four seasons. This is Dave's seventh season at the Drill Field after signing from Southport. Recruited by Manchester United straight from school but his progress was hampered by injury. His popularity at the Drill Field guaranteed him a record testimonial in 1981/82. 63 APPEARANCES LAST SEASON.

**DAVE FRETWELL - Right Back:** In his third season with the Club, Dave has a wealth of Football League experience with Bradford City, for whom he made over 300 senior appearances, and Wigan Athletic. 59 APPEARANCES LAST SEASON.

**MARK DEAN - Utility:** Vic's most recent signing having joined the Club from Chester just before the start of the season. 18 years old Mark will be looking to establish himself in the side, has the ability to play in a number of positions and certainly has a bright future in the game.

**KEN JONES - Central Defender:** Ken has clocked up 850 appearances for Vics and is now in his fifteenth season at the Club, deservedly receiving a third testimonial this term. Signed from Ellesmere Port Town after starting his career with West Bromwich Albion. Ken has been voted Vic's "Player of the Year" on four occasions and is the Club Captain. 61 APPEARANCES LAST SEASON.

**JEFF FORSHAW - Central Defender:** Also having a testimonial this season after 5 years at the Club. 6' 4" tall Jeff is particularly strong in the air. Signed from Stalybridge Celtic he has also had spells with Portmadoc and Winsford United. 53 APPEARANCES LAST SEASON.

**PAUL BENNETT - Midfield:** Paul signed for Vics in the summer of 1982 from Port Vale after making more than 60 Football League appearances for the Potteries Club. Ended his first season at the Club with Vic's only goal in the F.A. Trophy Final at Wembley. A versatile performer Paul can also switch to defence if required. 55 APPEARANCES LAST SEASON/8 GOALS.

**JOHN ANDERSON - Striker:** Signed from Chester in October 1981 where he played in their Third Division side. His direct attacking style quickly made him a favourite with the Drill Field fans, tends to save his goals for the important occasions! John began his career with Stalybridge Celtic, later moving to Everton where he spent 3 years. 49 APPEARANCES LAST SEASON/6 GOALS.

**GRAHAM ABEL - Midfield:** Although generally found in midfield Graham can also operate in defence or attack. Signed from near neighbours Runcorn where he played in their Northern Premier League side. After a spell in the Reserves he has claimed a regular first team spot. 40 APPEARANCES LAST SEASON/2 GOALS.

**PAUL REID - Striker:** A local lad, Paul's scoring exploits for Nantwich Town made him the Cheshire League's top scorer and prompted his move to Vics. Will be hoping to reproduce his 1981/82 form after an injury-hit season last term. 38 APPEARANCES LAST SEASON/16 GOALS.

**COLIN CHESTERS - Striker:** His second season at the Drill Field, Colin will no doubt be looking to repair last term's goal scoring exploits when he was the Club's leading scorer with 34 goals. Not surprisingly voted Vic's "Player of the Year" by the fans. Colin was signed from Crewe Alexandra in August 1982 having previously spent 4 years at Derby County. 53 APPEARANCES LAST SEASON/34 GOALS.

**PHIL WILSON - Midfield:** After spells with Blackburn and Tranmere early in his career Phil spent six years with Runcorn before joining Altrincham and the Mossley, for whom he appeared in the 1980 F.A. Trophy Final against Dagenham. Signed by former boss Stan Storton at the start of the 1980/81 campaign. 56 APPEARANCES LAST SEASON/4 GOALS.

**TONY MURPHY - Left Back:** Enjoyed Vic's Wembley visit in May as much as anyone after losing in three previous semi-finals. Signed by Stan Storton, Tony also had spells at Runcorn and Bangor City with Stan. He is a strong tackler who likes to join the attack. 57 APPEARANCES LAST SEASON/2 GOALS.

**PHIL POWER - Midfield:** Seventeen year old who made his first team debut last December against Gateshead after impressive displays in Vics reserve side.

## **PLAYER PROFILE - GARY DONNELLAN**

GARY was born in July 1962 at Kensington and now lives in Cricklewood. He attended school at Finchley and now works as a sales representative - more commonly known as a button seller.

Gary arrived at Wealdstone at the beginning of this season having previously played for Chelsea, Watford and Reading.

His brother Leo is currently with Chelsea and is also a junior Irish International.

The most memorable moment Gary has experienced in football was scoring a hat-trick for Reading against one of his former clubs, Watford (something he'd love to do for Wealdstone).

Conversely whilst playing at Newport Gary sustained a particularly nasty injury in which his gum was broken by a swinging elbow. Gary says this was his worst moment in his career but apparently he had the last laugh.

## **NEW SEASON**

AS this season draws to a close, it has been announced that the season 1984/85 will commence on Saturday 18th August with the Football League starting one week later.

## **THANK YOU LADS**

MY thanks to all the unsung backroom staff, be they paid or voluntary for their stirring work and support they have given me during this past season. My special thanks to Les Scott, Les Bull, George Perkins, Val Shearer, Doug Minty, and young Michael Kane.

## TIM PARKS RECALLS "MR. CLEAN" OF THE 60'S

WHO remembers Alf D'Arcy?

With a surname like his, he represented the aristocracy at Enfield FC in the 1960's, and was certainly the creme de la creme when it came to gamesmanship.

Everything was done on the referee's blind side: shirt pulling, elbowing, controlling the ball with his hand, even applying an extra slick of Brylcreem.

He was the oiliest, greasiest, smarmiest and cleverest defender of his era. Enfield fans loved him; everyone else hated him.

Small boys went to bed at night dreaming of untimely ends for Mr. D'Arcy. Skewered on a railing surrounding the pitch, perhaps, or involved in a fatal coach crash on the way home from Barking.

Yet he has a delicious sense of humour . . . which mirrors his own philosophy during those golden Isthmian League years: if you could win fairly, fair enough; if you could win by cheating, even better.

In the bar at Enfield recently I heard this story about him, which in my opinion, knocks all the famous Shankleyisms into a cocked hat.

It goes thus: Enfield were playing Ilford one cold, icy Boxing Day afternoon and Mr. D'Arcy had his hands full with the well-known Ilford centre-forward of the time, Alfie Christmas.

After half an hour Christmas broke through with just D'Arcy to beat but, after rounding the defender, he miraculously found himself on his face. The referee, apparently unsighted, refused to give a penalty.

Ten minutes later Enfield themselves took the lead through a dubious spot-kick and Christmas, still annoyed at the earlier decision, complained rather too loudly. The referee gave him a stern talking-to.

Just two minutes later, however, Ilford mounted a tremendous six-man attack with Christmas heading powerfully goalwards from the winger's cross. The header beat the Enfield goalkeeper but D'Arcy caught the ball in the crook of his arm and volleyed clear - and the referee, again curiously unsighted, waved play on!

It was too much for poor Mr. Christmas, who roundly abused the official and earned himself a booking. But, just as the centre-forward was reluctantly walking over, D'Arcy brushed by the referee and said in a stage whisper: "I should watch this one referee, he'll tell you his name's Santa Claus."

Christmas gave his name and was sent off for mickey-taking!

## AROUND THE A. P. L.

**SCARBOROUGH** have decided to axe their reserve team. Manager John Cottam is likely to have a squad of 15 or 16 players in the Alliance next season, calling upon players from local leagues as and when necessary.

**Boston United's** matchday programme has been voted the best in the Alliance in a national competition in which entries were received from over 600 clubs. **Yeovil Town** and **Weymouth** were placed second and third respectively in the Alliance section.

## SUPPORTERS CLUB NEWS

GOOD evening to you all. For our final home league game this season we welcome FA Trophy finalists Northwich Victoria to Lower Mead. They will be making their trip to Wembley on Saturday week hoping to go one further than their appearance in the final last year when they lost out to Telford United. Their opponents will be Bangor City currently fighting relegation from the Alliance. Earlier this season, in February, we travelled to Drill Field with Mark Graves netting to earn us a point in a 1-1 draw. After Saturday's goalless draw against Frickley Athletic let's hope that our final home fixture for this season ends on a winning note.

SFC Wealdstone, the supporters club team, conclude their Marathon Sunday League Division 4 programme tomorrow evening when they play Greenford Royals here at Lower Mead. Incidentally that game kicks off at the earlier time of 6.30 pm not 7.30 pm but any supporters are welcome to attend. Next Wednesday evening they play Enfield Supporters at Lower Mead in the Supporters Shield. On Sunday 13th May they travel to Underhill to play Barnet Supporters in the same competition kicking off at 3.30 pm. SFC are still looking for new players - call at the Club Shop if you are interested in joining them.

Shortly before this evening's kick off the Supporters Club Player of the Year award will be presented. The actual Trophy was given in memory of Jock Law a founder member of the Supporters Club and will be presented by Mrs. Cynthia Law. Don't forget that the Players Presentation Night is taking place on Sunday 20 May at 7 pm in Morriss - tickets are available from the bar at £7.50 which includes a formal dinner.

During the close season various maintenance jobs will be carried out on the ground especially at weekends and any supporter willing to lend a hand will be most welcome. On Saturday 16 June we will be holding a Rummage Sale starting at 10.30 am and would be grateful of both offers of help and goods to sell. During the summer the next edition of Long Ball Down The Middle will be started - letters and articles for inclusion should be sent C/O 157 Butler Road, Harrow.

Finally, if you ordered a replica Wealdstone shirt it can be collected at the Club Shop this evening and our wide range of football programmes should be able to provide you with some reading material for the summer. Enjoy the summer.

COME ON YOU STRIPES!
