### CLUB NOTES

It is a great pleasure to receive a visit from Arsenal this evening. Although they have not hit the high spots for a season or two the name of Arsenal still retains its magic for all lovers of Soccer. In addition to their prowess on the field of play Arsenal have also acquired a reputation of friendliness for the way in which they are always willing to help other Clubs in many ways. Edgware Town have just experienced this when they sent a team to the White Lion ground free of all expense. They have helped us and many other Clubs with injured players and are a credit to the game. And so tonight we give their Directors, Players and Supporters a very sincere and cordial welcome and also to take this opportunity to wish them the best of luck in League and F.A. Cup Competitions this Season.

We all remember their visit here last Season when the result was a draw and we hope tonight's game will be as exciting and as good. Unfortunately we are not able to field

our strongest team. Johnny Ashworth has to play for the Navy and Viv Evans is not sufficiently recovered. Never mind give the lads plenty of encouragement and let's hear the Wealdstone roar.

In 1953 Wealdstone played Arsenal in the Semi-Final of this competition at Highbury, we lost by four goals to one. It was our first game under floodlights.

Saturday's match against Walton and Hershaw was another disappointment. After an even first half we had a bad spell but the team made valiant efforts in the last half hour to draw level. A superb display by the Walton goalie plus a little good fortune gave the visitors the points.

We would like to welcome this evening members of the F.A. and County Officials.

Also, welcome to the coach party from Dagenham F.C. and all other visiting Club Officials.

## SUPPORTERS' CLUB NOTES

Well once again, we have the pleasure of entertaining the mighty Arsenal in a London Challenge Cup Tie and to all the officials, players and supporters of this great club we offer a sincere welcome and hope that the game will be enjoyable in all ways. On the occasion of their visit last season it was quoted by all the sports writers that they were lucky to get the chance of a replay, but be that as it may, we hope that tonight, our lads will be able to win outright. But, of course, they will be relying on your support and encouragement. Try to forget past disappointments and performances and give them every ounce of encouragement and I feel certain that they will strike the winning vein again. Billy Wright had the same troubles early in the season, but with perseverance these have been overcome as recent results show, and it will be the same with us. So let it rip tonight and let us hear a roar that will make Billy's new kilt rattle with fright. In any case lets hope for a great game with the best team taking the spoils.

We are still very disappointed at the slowness of supporters in renewing their membership this year. We need your support in helping to pay for these lights that have given you so many good matches in the past and the prospect of many more in the future. So let me have your applications today to help us to help you have some enjoyable football.

By the way, I must point out once again the question of using the bar in the main club hall. Unless you are a member of the Football or Social Club, members of the Supporters Club will only be able to use the bar in the Supporters hut. This will give you the same opportunities for a drink, but will leave the main club available for its own members. So until we see you on Saturday when we shall be at home to Finchley, I will say cheerio.

Tom Verrall.

For years now, Valliant coaches have been carrying football teams and their supporters to away games all over the country. Parties of every size, many from well-known clubs, travel by Valliant, because they're sure of a comfortable journey at reasonable cost.
