CLUB NOTES

Good afternoon Ladies and Gentlemen,

Today, we are keeping a promise given six years ago, to a very strong, hard tackling and talented wing half cum centre forward, named Peter Parfitt who played for us for some time. At that time Peter was really setting things alight in the cricketing world, and was scoring many runs for our county side, Middlesex. His prowess with the bat soon caught the attention of the English selectors, and lo and behold, England gained a first class cricketer, and Wealdstone lost an above average footballer, because Peter was continually being selected for overseas tours with the M.C.C. and therefore had to give up his football duties. We then promised him that when he has his benefit year with Middlesex, we would stage a match for him to help swell his funds. Well, this is Peter's benefit year, and he has well deserved it, he has now become Middlesex captain, he has gained many caps at cricket and although out of favour recently with the selectors, we feel sure that with Peter's tenacity and pluck, he will recapture his England place once

again. We also feel sure that had Peter kept on playing football, he would have also won many caps. He is one of the most likeable characters in sport, and his immense knowledge of the games, helps to keep him in the forefront of the public eye. We hope that our ground will be well filled today, to give Peter a good start in what we hope will be a very successful financial benefit year for him. What a lot of our supporters didn't know, was that Peter, although claiming he was too old now for football, was ready to sign on again for Wealdstone, to help out during our cup run, and had we beaten Wycombe, we would no doubt have brought him out of retirement. Peter is now married, and lives in Harpenden.

Here are the names of the players who have promised to turn out today.

P.H. Parfitt, Wealdstone. **Micky Stewart**, formerly Corinthian Casuals, and Charlton, now captain of Surrey Cricket Club. International Cricketer. **Jimmy Hill**, ex Brentford, Fulham player, and Coventry City manager. **Jimmy**, although very busy with his sporting duties with I.T.V. always finds time to help out at Wealdstone, for fund raising games. **Ron**

Continued overleaf

Springett, English International goalkeeper, has seen service with Q.P.R. and Sheffield Wednesday. **Les Allen**, Manager of Q.P.R., Les was a fine footballer with Chelsea and Spurs. **Bill Perry**, English International some years back with Blackpool, won a cup winners medal in the 'Stanley Matthews' final against Bolton. **Bill Holden**, ex Burnley and England. **Roy Greatrex**, ex Blackpool and England. **Derik Lewin**, ex Bishop Auckland, and English Amateur International. **Charlie Townsend**, no need to plug him, one of the best and most loyal servants that Wealdstone has ever had, was Parfitt's buddy here. **Johnny Haynes**, like Jimmy Hill, no stranger to our ground, a famous international with Fulham, and always willing to help others in charity and benefit games. **Dave Underwood**, big Dave a well known goalkeeper in his day, saw service with Watford, Liverpool and Fulham, was also our coach, and his heart is as big as his body. **Cliff Jones**, Welsh International, was a member of the famous Spurs team that swept everything before them a few seasons back. Now with Fulham. **Tommy Steele**, famous T.V. and film actor, who has played here last season, and certainly knows his football. **Marty (Dixie) Feldman**, the George Best footballer, with the Omar Sharif looks, bewilders many on T.V. with his immense football ability, and is the local lad from Stepney, who has risen to fame, and insists upon playing for Wealdstone today, in an effort to help raise our standard of football from high class, to complete perfection. Most likely to be our skipper this afternoon.

As you can see by this strong team brought here by Peter Parfitt, our lads will be in for a hectic afternoon, but with the acquisition of Feldman, we might just manage to turn the scales, and beat them.
