Wealdstone Chatter

Good evening Ladies and Gentlemen,

Tonight it is our pleasure to welcome our near neighbours Wembley, in the second leg of the Memorial Cup, and extend to them cordial greetings.

This is, of course, our last home match of the season, and, also, our last match as amateurs.

We look forward to next season in the hopes that we have made the right decision, a difficult one, as you must all know. But time alone will tell, we have already signed several new players and hope, with some luck, to secure at least one well known player.

History was made at Wealdstone on Monday evening, when John Furie the former Watford, Gillingham, and Guildford City player was signed as a professional player for the club. Other signings made were, John Barr, a goalkeeper from Barnet, Bill Bailey a defender, formerly with Orient and Dartford, and another defender in Dave Cockell, formerly with Q.P.R. and Crawley Town. Other signings will be made very shortly and we all look forward to a very successful start to our venture into the Southern League next season.

Many volunteers are needed to help on the ground during the close season, so any painters, labourers, builders, carpenters, etc., who feel like helping the club, will they please come along and do their bit for Wealdstone.

To all our loyal supporters we ask you to come along next season and help to make the new Wealdstone a great success.

Lastly, all of us here hope that both Harry Luck, and Jack Rogers, will be able to attend many matches here in the future, and that their health will be spared for many years to come.

Match Report

In the first leg of the President's Cup played at Wembley on Tuesday, we were beaten by a superb goal by Alan Jackett, who incidently was with us until mid season, and this now leaves us with two goals to get to retain our hold on this cup. This is not beyond our reach, especially with us having ground advantage, but our lads must show more endeavour than they did at Wembley, where they were very lethargic, especially in the first half.

An unusual occurence happened again at this match, as happened the same time last season, when two players were ordered off the field for fighting. This time our player was Dave Yerby, who was ordered off after retaliating, but it wasn't a dirty game at all, and both sets of officials

are as bewildered as anybody, how the players get involved with fights of this sort. It is unnecessary and uncalled for, and players from both sides should realise that not only do they suffer themselves, but they get their clubs a bad name.

Let us hope that tonight's second leg will be played without any undue incident.

Our Team that played at Wembley :

A. Thomas, A. Dafforn, G. Hand, R. Williams, G. Austin, G. Olsen, T. Mahon, C. Townsend, J. Ritchie, A. Pentecost, N. Bunker, sub. D. Yerby.

Supporters Club Notes

Good evening Ladies and Gentlemen,

This evening it is pleasure to welcome to Lower Mead players, officials and supporters of our near neighbours, friends and rivals Wembley F.C. Tonight's match is the second leg of our annual contest with our visitors for the ownership of 'The President's Memorial Shield' and we hope that we shall witness a fine match and a fitting finale to Wealdstone's career as an amateur club.

It is obviously an occasion laced with sentiment, after seventy-one years as members of the unpaid ranks and a period on which I feel we can look back with pride. However this is not a time for retrospect and we should look forward to a long and successful future as a professional club. To all those who have put so much work into this club in past years we, the supporters, owe our grateful thanks and equally, we should offer our wholehearted support to those given the responsibility of carrying the 'Stones name into the realms of professionalism.

Very little is left to say except to wish, on behalf of the Supporters Club committee, a very happy and enjoyable summer and to say that we look forward to seeing you all again next season.
