## On the crest of a wave

It is with particular pleasure that we welcome the Directors, Players and Supporters of Millwall to Lower Mead Stadium tonight for this first round replay in the London Challenge Cup. If the match produces as good football as did the 2-2 draw a fortnight ago at the Den, then everyone will go away completely satisfied. Had we taken our chances then, tonight's replay would not have been necessary, and so we are hoping for the best tonight, especially as the winners will be at home in the next round to Enfield, who dismissed Arsenal in the first round. A clash with Enfield here — a renewal of our old Isthmian League rivalry — would ensure a magnificent gate and a lot of local excitement.

Obviously we are riding on the crest of a wave at the moment, and at the time of writing these notes (Friday) the team has gone 10 matches without defeat and we were fully confident of making progress in the F.A. Cup at the expense of Finchley on Saturday. Our 4-2 win at Andover in the F.A. Challenge Trophy was particularly meritorious considering that we were two goals down after only 20 minutes. A word of praise to young John Beyer, who had the frightful ordeal of taking over in goal until John Barr arrived, and if ever a player was thrown into the deep end it was John that day.

Main news from the Club this week, of course, is the news that we have at last appointed a chairman — none other than Mr. Don Brown, father of talented Alick Brown, the first team's midfield player. Mr. Brown is a man of extreme vigour and enterprise, and everyone connected with the Club is gratified that he has accepted the job and looks forward to a very progressive future.

A word of thanks at the same time to that magnificently loyal Club stalwart, Frank Harbud, who has been with the Club for about half a century, and who has been acting chairman since the club went professional and whose enthusiasm for the 'Stones is infectious. Frank has been waiting to stand down when the right person came along but, of course, remains on the Management Committee — and long may he remain so.

You will doubtless have read that our young striker Bill Byrne has been the target of professional clubs, and played for a Luton XI against Arsenal last Wednesday, when he made a big impression. So much so that he has been invited to play for Luton again this week. Bill's ambition, however, is to gain an amateur international cap, and England team manager Charlie Hughes is expected to watch him any moment. Bill's

## Any more for bingo ?

Bingo sessions continue to be held in the Social Club every Wednesday at 8 p.m. and with admission only 9p and cash prizes to be won, attendances are reasonable. We could do with a few more, though, if only to pay tribute to the work of callers Dave Evans and Bill Emerson. Now the nights are drawing in, how about joining in the fun? Refreshments are available, and a pleasant evening in convivial company can be spent.

partnership with that brilliant ball player George Duck, and lethal front runner Micky Brown, is a joy to watch and has played a big part in our wonderful run of successes.

Yes, all in all, everything in the Lower Mead Stadium garden is great at the moment. Show your appreciation of the team's sterling efforts tonight, for it's a long time since they appeared before you and they've been doing a mighty fine job !

Colin Pope.

## Dixie Hale will have to leave

It is with considerable regret that we report that, around the end of the year, we shall be losing the valuable services of midfield player Dixie Hale. The popular and skilful Dixie is taking a job in South Wales, and the Club will have no option but to release him from his contract. Dixie, the former Watford skipper, is playing magnificently this season and he will be sorely missed. More news of this, however, in the near future.

## Behind with League fixtures

As you will see from the League Table, we are getting well behind with our fixtures, and now have several games in hand. This table, by the way, is only up to September 30th, due to the reasons stated elsewhere !

## Supporters Club Notes

Those loyalists who have travelled to the recent spate of six consecutive away games know it already. We hope it won't be long before it is common knowledge. The 'Stones are now a side to be reckoned with.

Millwall, our visitors are I'm sure only too well aware of this fact. In all honesty they must still be thanking their lucky stars for tonight's second chance. However, we feel privileged to act as hosts to the Lions this evening and bid a warm welcome to their players officials and supporters.

Tonight is a special occasion not only for the status of our illustrious visitors but also this is our big chance to impress the local inhabitants and perhaps persuade them to follow the 'Stones and also announce our 'arrival' to the rest of the football world. Let us grasp this opportunity with both lungs, as it were, and cheer the lads to a prestige building victory.

I would be totally unfair to pass without a mention some of the great football witnessed in recent weeks. That six goal thriller at London Road, Maidstone with Micky Brown's fantastic goal; the tremendous fight back and near victory at table-topping Bexley; the depression followed so quickly by elation at Andover.

Twenty five goals in our last ten games, no-one can call it a fluke anymore. Well done lads, keep it up.

On Saturday we hit the road again, this time the destination being Minehead so why not join us. After all, these days, you never know what you might miss! The usual coach service will operate and bookings should be made either in the club office tonight or by telephone (422 0799). A nice trip to the coast with two points thrown in (we hope!) what could be better?

Other future fixtures are a little confused at present owing to the possibility of cup-replays etc., so please consult the local press, for the details.

Now to tonight, can we stretch our successful run even further? remember it's 25 to beat for a club record, with your help the lads can do it.

Peter Fuller, Publicity Officer.

## Making a lot of friends!

The Southampton Echo, which carried a big report of our match at Andover, said of the 'Stones: "Sheer professionalism carried the day against Andover, who must have thought they had little to beat after going two goals up. But they reckoned without the tremendous skill of Wealdstone who, once they had got themselves organised with the presence of their regular goalkeeper, proceeded to give the home side a football lesson, and whoever beats Wealdstone this season in the Southern Section will have a very good side indeed. Andover were out of their class".

## Future fixtures

Sorry tonight's programme is not up to our usual standard, and several regular fixtures are missing, due to my being out of London until early Friday — and consequently a rush job was necessary to produce one at all. Normal service will be resumed for our next home game, which, incidentally, is not known yet!

Whoever wins tonight's match will be at home to Enfield next Monday, October 16th. In the next round of the FA Challenge Trophy we have been drawn away to Winchester City, and this takes place on Saturday, October 28th.

The F.A. Cup will be played on Saturday, October 21st, and assuming we won at Finchley, we will be away to either Hayes or Erith and Belvedere. Next Saturday, October 14th, we are of course away to Minehead in a League fixture. The team by the way, is travelling by train, catching the 9.30 a.m. from Paddington to Taunton, where a coach will be waiting for the 50 minutes trip to Minehead.

Fixture secretary John Ward is busily trying to arrange a start to the new Surrey Midweek Professional League, but with our present Cup commitments is as yet unable to report a definite date.

## F.A. Cup victory but Byrne injured

We duly qualified to visit Hayes on October 21st in the next round of the F.A. Cup by beating Finchley 2-0 on Saturday (Micky Brown scored both goals) but only at the cost of a nasty injury to Bill Byrne, who has a fractured bone in his right knee. Byrne was brought off late in the second half on Saturday, and went to hospital on Sunday, where his knee was put in plaster. Bill will be sorely missed, and we all hope that the fracture quickly heals, but he will obviously be out of the side to visit Minehead in a League match next Saturday.

Dixie Hale pulled a groin muscle on Saturday, too, and is also out of the team tonight. Eddie Presland, who missed the Finchley match with a recurrence of his recent toe trouble, is available however. Seth Vafiadis whose trial has been extended is included in the 12 from which the team will be chosen.

Although we only scored twice against Finchley, the result was never in doubt, and the home side, defending with eight men, had a gruelling afternoon on a rockhard pitch and in weather more suited to cricket. This took our unbeaten run to eleven games, and the 'Stones surely deserve your support. What had luck to be without such key men as Byrne and Hale for tonight's important match, for a full side was confident of beating Millwall following their 2-2 draw at the Den a fortnight ago.

## Off to Majorca

Mr. Mangam, licensee of the Windermere Public House in South Kenton, was the lucky poster-holder who won an expenses-paid holiday in Majorca next January for himself and his wife. The draw was made at our last home game, and those eligible to go into the hat were everyone who displays a poster advertising the club's home matches.
