## Welcome to a New Era

The curtain rises on a new season, and we welcome back our supporters as we enter a new era, with our participation in the Alliance Premier League. There is no doubt that this will be a stiff competition, but the calibre of the opposition will ensure that the best of non-League football will be staged at Lower Mead.

As our first home engagements coincide with a Bank Holiday, it is necessary to produce a "double header" programme for the first two matches. On Saturday, therefore, we extend a cordial welcome to the players, officials and supporters from Nuneaton Borough, and on August Monday we extend a similarly warm welcome to our friends from Maidstone United for the first round of the A.P.L. Cup. The winners of this tie will be away to Boston United on Saturday 29th September.

Our meeting with Nuneaton Borough is given added zest, because of Alan Fogarty's previous connection with our visitors. It is always Alan's desire to gain a victory over his previous associates, but so far this has eluded us. I am sure the team will enter Saturday's contest in a determined mood, in an effort to "break our duck".

Turning to Monday's match, I feel sure that wherever their Chairman, Jim Thompson, goes during the coming months, he will receive tributes to his untiring efforts in making the Alliance Premier League a reality. Being so early, at least our tribute will not suffer because of repetition! Jim Thompson has worked unceasingly over the last two years, and travelled many hundreds of miles to bring the A.P.L. to fruition. We are all indebted to him for his efforts in this respect.

Our appeal for help in refurbishing the ground during the close season received magnificent support, and you will see the evidence everywhere of the many hours of effort put into the task. We are extremely grateful for this tangible evidence of interest in club welfare. It would be impossible to thank everyone specifically, so if we've missed your name, please accept our apologies coupled with our sincere thanks. We are particularly indebted to Ron Davies, Val Shearer, Danny Helen, Alex Drew, Nick and Bob Dugard, Martin Allen, Phil Jefferson, and the other members of the Supporter's football team.

### **1st XI News**

Our trip to Worcester although unproductive points-wise, was well worth the trip. Our lads indicated that they were capable of playing with the best and gave a very satisfactory performance though losing by the odd goal of three. The 'new boys' fitted in well and the team gave heartening promise of better things to come. It was most unfortunate that Colin Johnson was injured as this lively and effective wing player gave a new dimension to our attack. Happily his injury was not as serious as feared and X-rays showed that he had sustained a badly bruised knee-cap. There is every hope that he will have recovered sufficiently to be in the team.

Nigel Cordice's goal was a 'beauty' and set the Worcester's back on their heels for the rest of the match with only our inability to 'put it in the net' preventing us from pirating at least a point.

George has finally left us and we wish him luck with his new club and Eddie Presland. Rest assured our financial resources will be utilised to further strengthen our squad—but do your bit and get those turnstiles clicking. How about making 'Bring a friend' your watchword.

### **Referee's Biographies**

**John Martin** started his Referee's career in 1958 with the Bromley & District League. Moved to Surrey in 1964 and progressed via Surrey Senior and Isthmian League to the Football League in 1973. Refereed Isthmian League Final in 1977, and lined a U.E.F.A. Cup Match in 1978. Past member of the Polytechnic Harriers and Vice-Chairman of the Basingstoke Referee's Association.

**Brian Hill** started Refereeing in 1965 with local Leagues, progressed through United Counties League to Southern League and eventually to the Football League list in 1975. Among his various honours include a County Youth Final, Non League Champions Match, Anglo-Italian Competition and a Schoolboys International at Wembley in 1979. Earlier this year his travels took him to Cairo where he officiated on the line for an Egyptian League Match.

We would like to extend a hearty welcome to Wealdstone to the above mentioned gentlemen and their respective linesmen.

Running a senior football club is not as easy as some 'Terrace Experts' would have you believe. It's so simple to say 'Why don't they . . . ?' For those of us who are earnestly trying to **do**—it's a little more difficult. But we **are** doing.

You want a successful team—which means a stronger playing squad—which requires money—which comes from gate receipts and commercial promotions. The latter is being done. The gate receipts are up to the public. Why not bring a friend along? Let's make Wealdstone great, together.

### Nuneaton Borough A.F.C. 1979-80—Pen Pictures

Nuneaton has boasted a professional football club for many years, and for the most of this century the club has been based at Manor Park. Nuneaton Town played in numerous competitions between the wars, even spending two years in the Southern League in the early twenties. At the end of season 1936-37, however, the Town club succumbed to a financial crisis and collapsed.

Within six weeks local enthusiasts had formed a new club, which they called Nuneaton Borough, and entered the Central Amateur League. After just one year in this competition they graduated successively to the Birmingham Combination and the Birmingham League, before joining the Southern League in 1958. During their twenty odd years in the latter competition they spent most of their time in the Premier Division.

Nuneaton Borough have never won the Southern League Championship, but have been runners-up twice, pipped during the last week on both occasions, in 1966-67 and 1974-75.

Over the past five years Nuneaton have probably been the most consistent supporters of the principle of the Alliance and the pyramid system in soccer of all the clubs competing in the Southern League, so that it is with real pride that they take their place as founder-members of the A.P.L.

In the F.A. Cup Nuneaton Borough have twice reached the third round proper, in 1949-50 and in 1966-67. They have reached the first round proper or better in seven of the past eight seasons. In local and Midland competitions they have won a host of honours. Their record attendance is 22, 114 (v. Rotherham Utd., Jan. 1967).

### PLAYERS

**Tom Fallon (Centre-half).** Yet another of the group of local youngsters who made a number of promising first team appearances last season.

**Roy Cross (Central defender).** Former skipper of Port Vale who came out of League soccer to begin a new career as a teacher. Now in his fifth season with the club.

**Tim Smithers (Midfield or left-wing).** Brought up in Coventry and joined the club from local soccer. Hard working player with the ability to snatch vital goals.

**Cliff Campbell (Centre-forward).** Tall striker, a £2,000 purchase from Banbury in August, 1978. He was the club's leading scorer last season.

**Ian Crawley (Centre-forward).** Another local youngster; a powerful front-runner with the ability to upset defences.

**Alan Hault (Striker).** Local player who joined the club in the close season following service with Leicester City, Hull City, and Bristol Rovers.

**Stewart Gallagher (Striker).** Another locally-born player who has gradually developed into a skilful and versatile forward. He has seen service with Coventry Sporting—where he became their first-ever professional and scored both goals in an epic F.A. cup victory over Tranmere—V.S. Rugby and Atherstone Town. Joined Nuneaton in August, 1979.

**Dean Thomas (Left-back).** Nuneaton are proud of their record of producing talented youngsters, and Dean is just one of a long line who have the talent to go far. Still a youth player, he forced his way into the first team at the beginning of the season when the club had no less than twenty-one professionals on their books.

### Supporters Club Notes

Good afternoon one and all, and welcome to our historic first home game in the Premier Alliance League. The 'Stones made a convincing debut at Worcester on Saturday, and the crowd (over 2,000 strong) must have been impressed by the footbaling ability of both sides. Certainly it was an encouraging display by Wealdstone and although these notes are written before Wednesday's match at Kettering, the 'Stones did enough to suggest that they could snatch a point from the visit to Rockingham Road.

Our visitors today, Nuneaton, made a two-point start to the new season with a 2—1 win over our neighbours Barnet on Saturday, although the Underhill outfit were handicapped by the non-arrival of several players. Star winger Gary French turned up late, but came on as substitute in the second half to score Barnet's only goal. Like ourselves at Worcester, Barnet turned on the pressure late in the game but returned pointless.

Congratulations to our new signing Neil Cordice for scoring that magnificent goal on Saturday—and indeed all four newcomers were impressive. Robin Wainwright,

apart from creating the goal with a slide-rule pass, simply oozed class along with Tommy James in midfield, while Colin Johnson caused the City defence more than a few problems before the ugly tackle that caused him to be stretchered from the field. Worcester's Graham Selby should be thankful that he was not sent-off, following a similar tackle that had earned him a booking only minutes earlier.

That incident marred an entertaining game, and we hope for as many thrills this afternoon.

The latest copy of "Long Ball Down The Middle", the supporters' magazine, is on sale today price 20p. Sales have been going very well, and in its new format—with news and features on most of our Alliance League opponents—it seems to be a hit with everybody.

The magazine is an important source of income to the Supporters Club, along with the raffle, so rather than reading your friend's copy why not buy one for yourself? And at this time of year, all supporters should be thinking of joining or, renewing their membership of, the Supporters Club. Forms can be obtained from the club office, alongside the Elmslie Stand.

The office is again well stocked with scarves, rosettes, pens and other goodies, while over on the High Mead terrace Toby's programme shop is now in full swing. Your generosity last season enabled the supporters club to hand over a grand total of £1,519.31 to the Football Club, but we hope to do even better this year.

We'll do our best to make Wealdstone F.C. the best team in the Alliance. Support the 'Stones—and they'll produce the goods.

### Reserves

Our Reserve side will continue to play in the Suburban League (Section B) during the coming season with much the same opposition as last year. However two new clubs have joined our Division and will provide local Derbys, with the well known names of Hillingdon Borough and Hayes. It is unfortunate that Aldershot will no longer be participating. The side will now be managed by Ken Payne who proposes to continue with the same policy as before. That is to include only young players.

A promising start was made last Saturday with a comfortable Home victory against Dorking Town by two goals to nil. The game was played at a fast pace and was most entertaining to watch. Goals were scored by young Ingram from the penalty spot after 25 minutes and Teddy Boyle added to the score ten minutes before the end.

Wealdstone team (average age 18):— C. Reyes, S. Treadwell, D. Roe, S. Milsom, A. Bennett, T. Boyle, P. Ingram, V. Foster, D. Pearce, T. Brennan, J. Keane.

Subs:— J. Boakye, T. Nolan.

Today (Saturday) sees an Away League match against Camberley Town.
