Comments from the Boardroom

Good afternoon, fans, and welcome to a new season of competitive soccer. As this is our first official programme, may we express the hope that you have enjoyed the close season, and that when you took your holidays you were lucky, in view of the "hit and miss" weather conditions which have prevailed since May.

Today we extend a cordial welcome to the players, officials and supporters of Telford United for our opener. No mention of Telford can be made without a special welcome to their popular and famous manager, the incomparable Gordon Banks, member of the England World Cup team. Telford have consolidated under Gordon's guidance and we feel sure they will give us a good game as a curtain raiser.

We are pleased to announce that Mr David Morrirt, the well known business man, who is at the helm of Morrirt Homes Ltd., has graciously accepted the invitation to become our President. Mr Morrirt has taken a keen interest in our activities for some time, and we now place on record that he has given us extensive financial backing in recent months. We know that his association with the Club will be beneficial to us, and we express the sincere hope that he will find it rewarding and enjoyable.

We are honoured today with the presence of several notable guests, and the chief of them is Her Worship the Mayor of Harrow. We welcome them all and trust they enjoy their brief visit to Lower Mead.

During the close season much hard work has gone into refurbishing Lower Mead. As ever, we are indebted to the loyal band of stalwarts who have given so generously of their time. It is not possible to thank you all individually so please accept the general appreciation of the Board. A special word, however, for George Perkins who has toiled manfully with a pitch which took a real pounding last season. George has worked wonders in the short time at his disposal.

We are also indebted to George Young and John Card who have done a magnificent job in giving our dressing rooms a complete refitting. The work is not yet completed, but on completion, they will have brought them up to a standard comparable with any in the League. They have worked all summer on the job. Thanks George and John for a great contribution. These fans are the true supporters of the Blues.

First Team News

After four pre-season runouts, the pattern of our approach to the new season is beginning to emerge. Close season signings of Paul Bowgett and Tom Murphy, coupled with the consistent top form of Fred Barwick, has given our defence a solidity and ability to soak up pressure, which gives the opinion that opposing teams will have to work very hard in the coming matches to see the fruits of their labours in the back of the net.

The strong running of further newcomers, Alan Cordice and Clevere Ford is giving our attack a width of approach and the ability to place opposing defences under siege for long periods. Nigel Johnson is back to his industrious best, and once we have managed to give the attack that extra bite in the box, we shall be able to make our presence felt in the months ahead.

At this stage we would like to extend welcomes to Lower Mead to Paul, Tom, Alan and Clevere. They are all good players, and we hope that their stay at Lower Mead will prove happy ones for them all, and mutually beneficial to all of us.

With our furthest visit to date to Earlsmead to meet the Borough, you have all probably seen all the four pre-season engagements. As you will know, last Saturday's 1—1 draw against Harrow was sufficient to give us top placing in our group, and a place in the semi-final of the Middlesex Charity Cup. These games will be played later in the season, as mid-week engagements.

Each of the matches produced its highlights. Probably, the Edgware match was a personal triumph for Wyatt, the visitors' keeper, who turned in a top class performance, and was responsible for limiting our reward to the solitary goal, notched by Freddie Barwick. Edgware hit back to grab the equaliser whilst we were still congratulating ourselves on being in front.

Against Harrow Borough we seemed to be on the winning trail when Tom Murphy nipped in to head home following a deflection of Willie Watson's free kick, with 18 minutes to go. However, we were forced to share honours when Harrow earned a free kick, with the clock showing full time. The cross pass to Sharratt looked to find the latter well offside, but the referee saw it otherwise, and Sharratt's subsequent netting was allowed to stand.

Bill Emerson

Manager's Notes

Well another season is upon us already, and we all trust you had a good summer. Most of the players reporting back after their holidays confirmed that they were able to find some sun, although they had to leave England to do so.

We have now finished our pre-season warm-up fixtures — although at the time of writing we still have Luton Town to play. I always maintained that the Middlesex Charity Cup matches should be used to lay down our new pattern of play, and today's encounter would be the start of the 'real business'. However, we are very pleased to have topped our group — despite the efforts of last Saturday's referee to prevent us! At Earlsmead, I felt we had played very well in the first half, and we were confident of obtaining the result we all wanted. However, the repeated stoppages completely blocked our flow, and enabled Harrow Borough to gain some measure of pressure on us (even though most of it came from the many free kicks they were awarded). However justice was done in the end, and the name of Wealdstone will be carried into the semi-final. We must now make certain we go on to win the competition.

Our efforts during the summer to bring a more inventive and more entertaining side to Wealdstone seem to be bearing fruit. As yet we have not realised our full potential but we will improve the more we play together, and we are all very optimistic about the season ahead. So here's hoping we can start our campaign on a successful note. Get behind us and I'm sure we can do it.

Ken Payne.

Telford United — Pen Pictures

Team Manager: **GORDON BANKS**

KEVIN CHARLTON — One of three players signed last season from Bangor City. Rated by the club as one of the best goalkeepers in non-league football. Age 25. Previously with Wolverhampton Wanderers, Bournemouth and Hereford United.

PHIL WEIR — After breaking a leg in 1978/79, Phil is again in the reckoning. A fine goalkeeper, who was chosen for the English non-League international side against Italy. Voted player-of-the-year three times, Phil was previously with Wolverhampton Wanderers, who provided the opposition for his benefit game this season.

ALAN HARRIS — A long-serving full-back, Alan is the only member of the successful F.A. Trophy team of 1971 still playing for the club. Has been voted player-of-the-year and has had a well-earned benefit. Formerly with Wolverhampton Wanderers and Aston Villa, Alan hails from Telford.

RUSSELL WALTON — A former apprentice with West Bromwich Albion who joined the club towards the end of last season.

MIKE BUTTRESS — Started his career with Aston Villa, then moved to Gillingham, from whom he was signed in 1978/79. A strong, enthusiastic player either in midfield or in defence.

ALAN WALKER — Transferred from Bangor City in March 1980 and has made a big impact, particularly with his aerial ability. Previously with Stockport County.

MARTIN GAVIN — Now in his fourth season with the club, having been signed from Bromsgrove Rovers. Has won the player-of-the-year-award.

GARRY HANEY — A young player who joined the club from Q.P.R. last season. He was brought into the first team towards the end of last season and did tremendously well.

PETER WILKEY — A small, skilful player who was signed from Oswestry Town in 1979. He has also played for Wigan Athletic and Boston United.

DAVE MATHER — The third member of the trio of signings from Bangor City, who signed him from South Liverpool. Immediately made his mark with Telford by scoring regularly. Speedy and powerful.

EDDIE HOGAN — A talented midfield player with delightful ability and skills. Popular with the home supporters, Eddie has previously played for Derby County, Burton Albion and Redditch United.

JOHN ALCOCK — A natural, speedy left-winger who was signed in 1978/79 from Eastwood (Hanley). A favourite with Telford fans, who made him their player-of-the-year last season.

JOHN MARTIN — A powerful local boy who joined West Bromwich Albion straight from school. After over 100 games for Albion's reserves, Brian joined Exeter City before moving to Telford.

ALAN BOURTON — A speedy young forward who joined the club from Tamworth. He has had several games for the first team.

ARCHIE RICHARDS — Has a wealth of experience in defence, mainly at full-back. Archie is in his second spell with the club, having had spells with Stafford Rangers, Kettering Town and Weymouth in between.

JOHN BRANCH — A fast forward who was signed from Hednesford last season.

JIMMY WILLIAMS — A talented forward who scored regularly for Worcester City before being signed by Walsall for a reported fee of £7,000. Joined Telford from Walsall at the beginning of this season despite competition from Football League clubs.

MICK BRENNAN — A skilful midfield player who was signed at the beginning of this season from Redditch United.

Here we are at the start of a new season and a 'New Look' Programme. We hope that you like it and find it a step nearer the quality of our Football League cousins.

It is regretted that we have had to increase the price to 25p, but printing costs, like everything else, have risen some 20% and at last season's average sale are now costing a fraction over 27p each.

Getting the 'First Issue' put together is always a major crisis and it is planned to introduce other items of interest as the year progresses. Even Prize Competitions.

We'll certainly do our best to give you a programme that is well worth 25p.

By the way, why not help the club by purchasing some non-voting 'B' Shares at only £1 and really have a stake in the club? Application Forms may be obtained from Ken Wiltshire or Ken Jones.

The 'Cricket Treble' managed to make a small profit and the results to date are as follows:—

Date	Batsmen	Ticket No	Date	Batsmen	Ticket No
26th April	No Winner Rule		3rd May	02 - 27 - 32	1616
10th May	02 - 12 - 18	1242	17th May	04 - 18 - 23	3018

26th July	02 - 13 - 28	1283	2nd Aug.	04 - 22 - 29	3118

All 'No Winner' monies carried to jackpot, which now stands at £100.

Youth Team News

Once again a new season is upon us and the job of looking for new talent to swell the already wealth of players for the club continues, led by the directors and managers and coaches under the guidance of Ken Payne.

I think it right that we should review our successes from a youth point of view. The youth team, managed by A. Harper, achieved successes that will take a lot of beating in the years to come. Firstly we won the Ealing Youth League and the final placings were decided in the last game of the season when, by beating Hounslow Town Youth, our boys got the necessary points to end top of the division. We also won the Middlesex Youth Cup which was particularly satisfying for "Algy" Harper, being his first County success. The President's Cup was also won and completed the "treble" for us.

Most of our loyal Youth supporters will remember our fine run in the F.A. Youth Competition when we beat Harrow Borough Youth after the third try, and then proceeded to knock them out of the Middlesex Cup, proving beyond all doubt that we had the best youth side in the county. Bar none!! As you know we were finally defeated by a Spurs side which included two first team players and many who have now made the grade in higher football.

I would like to mention all the lads but unfortunately space does not allow this. However, I can only conclude by thanking all the people, from the Chairman down, who have helped in the encouragement of the youth. I am sure that the attitude to young players in the club, and the encouragement they receive, means that we can only go from strength to strength.

Supporters' Club Notes

Good afternoon and a warm welcome to our visitors from Telford United and to their manager the former England goalkeeper Gordon Banks. It was for the Telford match at Lower Mead last season that Gordon took over the reins at United and it will be interesting to see this afternoon how they have progressed under his guidance.

A warm welcome too goes to the new faces that have arrived at Wealdstone during the close season: Paul Bowgett from Wimbledon, Tom Murphy from Luton Town, Clevere Ford from Plymouth Argyle and Alan Cordice (brother of Neil) from Norwich City. The vocal support at Harrow Borough last Saturday must have shown them what to expect from the terraces and it is up to everyone to keep the support during the Alliance campaign.

Talking of support today is a good time to renew your membership of the supporters' club if you haven't already done so. New members are welcomed and with the subscriptions at 30p for adults and 15p for children it is well worth joining. Membership entitles you to travel on the coach to away games at special prices and also covers you insurance wise at both home and away fixtures. The first of these coach trips is to **Northwich Victoria** next Saturday 23rd August which leaves from the ground at 10.30 a.m. Make sure you place your booking today to be sure of a seat.

A new fundraising scheme for this season comes from Mark Chamberlain with his "100" Club. The idea is that 100 people agree to pay 25 pence weekly for 35 weeks. There will be a weekly prize of £5 and every 5 weeks a bonus prize of £25. If you would like to join this "100" Club see Mark in the supporters' club office before he sees you! Don't forget that if you wish to sell lottery tickets this season they can be obtained from Secretary Barbara Robson also in the club office. Remember that all money raised goes to help the football team and any other ideas about fundraising will be welcome. Incidentally the supporters' club held a jumble sale a few Saturdays ago in the car park. The monsoon conditions didn't help but £30 was raised — mostly from the sale of umbrellas.!

You may have noticed that Tim Parks, who wrote this column last season, has taken his pen and pad into the stand and now reports sport for the *Harrow Observer*. He has, unfortunately for us, had to relinquish his position on the supporters' club committee as such a post may appear to give a bias in his reporting of football in Harrow. Tim was editor of *Long Ball Down the Middle* which he took to a very high standard with the last issue (copies of which are still available from the programme shop). Thanks for your help Tim and good luck in your new job. Articles for the next edition of LBDTM are now required and can be handed in at the club office. So why not put pen to paper and let us know what you think of Wealdstone.

Finally it was good to see "The Master" George Duck back in action with Wealdstone in Monday night's friendly with Luton Town and also Bobby Moss making his "Farewell appearance". Bobby has joined Chelmsford City and I'm sure if Bobby puts as much enthusiasm into his game at Chelmsford as he did here at Lower Mead the City side should soon be going places.

Anyway back to today's game and the priority is to take our first points of the season and get off to a flying start.

UP THE STONES — DIVIDE UNITED!

Dave Heath.
