ON THE BALL
with ALLEN BATSFORD

A superb performance by the players on Thursday puts us in a sound position, we now need just one point from two games to clinch the championship. A good crowd gave the game real atmosphere and the players responded magnificently, the only sad thing was both Alan Cordice and Ray Knowles suffered hamstringing injuries, and will struggle to get fit for today. Neil Cordice still out but improving slowly is unlikely to be ready.

SUPPORTERS CLUB NOTES

A very good afternoon to you all. We welcome the players, officials and supporters of Ashford Town to Lower Mead for this our last league home game for this campaign. It was back on a cold December afternoon that we travelled down to the Esella Park in Kent to play out a goalless draw, the only league game we played in that month due to the inclement weather. Our visitors are still hoping for a place in the top ten to qualify for the Premier Division next season but with only a point now needed for us to return to the Alliance another battle is in prospect.

On sale in the club shop this afternoon are Wealdstone replica shirts and hopefully a further supply of jumpers should have arrived. We have had two letters from correspondents in Czechoslovakia asking for information on Wealdstone and other English football clubs. If any supporters would like to write to either of these Czechs please call at the club shop. The name of Wealdstone seems to be sweeping the world, from Saudi Arabia to Eastern Europe!

Dates for your diary are Saturday 8th May when a Disco will be held in the Social Club from 7-12. This will be held on similar lines to the recent successful evening on the night of the Gloucester Southern League Cup Final and all supporters are welcome. An advance date is Wednesday 2nd June when a Quiz Night will be taking place in the Social Club starting at 8 p.m. Please see Les Bull if you wish to enter a team.

Well, the Battle of Hastings was won on Thursday night when two goals from Alan Cordice effectively killed off the championship hopes of the Sussex side. A crowd of 1,435 braved the pouring rain to see a competitive game of football — we now need a point from our final two games to make sure of the championship. Let's once again get behind the lads to lift them to the championship!

UP THE STONES!

Dave Heath

A THANK YOU FROM PETER BRAXTON

As our season is now drawing to a close I would like to thank, on behalf of the club, all those people who have assisted me during this long and sometimes seemingly endless season. In particular a special mention to Les Bull, Les Scott, John Jones, Mick Mychrist and Julia Verrall for their hard work.

WELCOME TO ASHFORD TOWN

Ashford Town were founded in 1930 and play at the Essella Park ground which has a capacity of 7,000 with covering for 2,000 and seating for 300. Their record attendance was in 1958 when 6,525 saw them entertain Crystal Palace in the F.A. Cup 1st Round. The sixties saw their best performances in the F.A. Cup — in 1961-2 they lost 3—0 to Q.P.R. and in 1966-7 they lost at Swindon 5—0 in the 2nd Round. In the F.A. Trophy they reached the semi-finals in 1972-73 when they went out to Scarborough by a single goal at Peterborough. Last season they finished in 16th position with John Young being their highest goal scorer. They are managed by Gordon Burden and currently are lying just outside the top ten in the league looking for a final push to qualify for the new Premier Division next year.
