GOOD EVENING everyone. Our opponents this evening for our final Capital League fixture this season are Sutton United. To all the players, officials and supporters of the Gander Green Lane club we extend a warm welcome to Lower Mead. Sutton were our first opponents here at the start of the season when a friendly was played under a cloudless sky with the temperature in the 90's. Despite this both sets of players provided us with an entertaining match which ended 1-1, both goals coming from pen-

alties scored by Paul McKinnon (Sutton) and Paul Goyette (Wealdstone). Since then we have visited them twice, drawing 1-1 in the Capital League and losing 3-2 in the President's Cup after extra time. This is Sutton's first season in the Capital League and they are currently bottom of the table with us one place above them. They have been involved in several high scoring matches to date, their results are as follows:- (HOME): Wins over Slough and Wokingham (both 3-0), Aldershot (3-2); 1-1 draws against Wealdstone and Wycombe; and defeats against Barnet (0-4), Brentford (0-4), Cambridge (0-3), Colchester (2-4), Leyton Orient (1-2) and Southend (0-7) (AWAY): A win at Wokingham (8-0); a 2-2 draw at Wycombe; and defeats at Aldershot (0-5), Barnet (2-5), Brentford (1-7), Cambridge (1-4), Colchester (1-2), Leyton Orient (0-3), Slough (0-5) and Southend (1-7). Unfortunately our visitors have also ended this season at the

wrong end of the GM Vauxhall Conference and have been relegated along with Fisher Athletic. It seems likely that Sutton United will return to the Diadora League (Isthmian League) from which they were promoted five seasons ago, and Fisher will join us in the Beazer Homes League next season.

#### SOUTHEND UNITED ARE LEAGUE CHAMPIONS

Southend United, who still have two matches left to play, are the 1990/91 Capital League champions. They made sure of the title for the second successive season when they won 7-0 at Sutton last Thursday.

#### OUR RESERVES WIN SUBURBAN LEAGUE

A David Field goal in the 15th minute of their match with Harefield United on Saturday was enough to give our Reserves the win they wanted to clinch the Suburban League (North Division) title. It wasn't one of their better performances however, the gusty wind causing both teams problems. Congratulations to Dave Boughton and his players on bringing the first major trophy to Lower Mead since our "double" season of 1984/85.

#### TRIUMPH AT DOVER

We ended a rather disappointing season in the Beazer Homes League with a fine 2-1 win at Dover on Saturday. Hakan Hayrettin and Mark Hopson scored our goals and Wayne Roach saved a penalty when the score was 1-1. This means in our three seasons since being relegated from the GM Vauxhall Conference we have finished 11th, 12th & 12th in the Beazer Homes League. Our win at Dover was our seventh away from home in the league this season, our best away record since 1984/85. Unfortunately our home record was one of our worst in recent seasons.

#### PLAYERS AWARDS

At Sunday's Players Presentation Dinner the following awards were given:- Supporters "Player of the Year", TONY KELLY: Vice Presidents "Player of the Year", PETER BARTLETT: Players "Player of the Year", PETER BARTLETT: Reserve Teams "Player of the Year", WAYNE ROACH: 200 league/cup appearances for Club, STEVE TAPLEY and MARK HARRISON: 100 league/cup appearances for Club, STEVE BROWNE, PAUL GOYETTE and TONY KELLY: 100 goals for Club, NEIL CORDICE. Congratulations to you all!

#### DAVID'S CLUB RECORD

David Gipp's 9 goals in the Capital League this season is a club record. The Capital League has been running for seven seasons now and our previous record was held by Chris Wright who scored 7 goals in the 1988/89 season.

#### DEFINITELY THE LAST

Our recent home Beazer Homes League fixture with Cambridge City was billed as "The Final League Match at Lower Mead" but this evening's game really is Wealdstone Football Club's very last match on this ground. After 69 years of playing our home matches here we are moving on and from next season we start afresh at Vicarage Road, Watford. I shall be sorry to leave this lovely old ground but hope better times lie ahead for us at our new home. Enjoy the summer break, hope to see you at Watford.

### CLUB CHAT

GOOD EVENING everyone, and welcome to Gander Green Lane for tonight's Capital League fixture against Wealdstone. We would like to bid a warm hello to the players, officials and supporters of Wealdstone Football Club, who are paying their first competitive visit to The Lane for some twenty years, having been regular rivals in the Isthmian League.

Not so Dave. You appear to have forgotten we visited you in 1986/87 (D2-2) and 1987/88 (D1-1), both matches in the GM Vauxhall Conference.
