## EDITORS NOTES

Good evening to you all, and 'hello' to the other 'Stones, Maidstone.

Academic tonight's match may be, I am sure that Tony and Norman will do everything to ensure we leave the Conference scene in style. I, for one, will be glad to see the back of this season. Let's be honest it's best forgotten. We've used over 40 players this season and over half of them have gone. Study the cover photograph, and remember it was taken well into the season. It emphasises what changes have been made in the playing squad of this club, and how important this has been. My fellow contributors to this programme all share my thoughts. We ARE looking forward to next season. Whether it's the Beazer Homes or the V.O.L, Wealdstone are going to be a major threat for whatever title we're after. The foundations are already there. An excellent managerial set-up, and players of a very high standard. It's a challenge we must meet head on and we will!

My heart goes out to Barnet. Runners up yet again, but they deserved better. I was among the 5000+ at Underhill last Saturday and you wouldn't have believed the scoreline. Full credit to Runcorn though. To ruin two teams title aspirations within 5 days is a measure of their ability and they will be strong contenders for the Conference title next season. Yeovil and Chorley have won their respective leagues, and are expected to be admitted to the Alliance. Aylesbury are a point behind Dartford, and have one match left to allow them to finally overhaul the Kent side who have been chasing them all season.

My thanks to all those who have put pen to paper this season for the programme, particularly to Neale Harvey, Sudhir Rawal and Roy Couch. My thanks to you, of course, for buying a copy at each match, and to Martin & Michael Ellis for the production of the programme.

Do not forget the F.A. Trophy Final this Saturday, and tickets can be purchased from the Club Office. The following Saturday sees our former player Vince Jones in action against Liverpool. Quite extraordinary really when you consider he couldn't even make the bench when we defeated Boston on that glorious day in '85.

Two final reminders for you: Our final Capital League match v. Welling Utd. is here at Lower Mead next Monday, kick off 7.30pm, and the Players Presentation Dinner & Dance is on Sunday 15th May commencing at 6.30 pm. Tickets can be purchased from Alan Clifton or the Club Office, price £7.50.

Enjoy the match and the summer!

## **A MESSAGE FROM THE SECRETARY . . . .**

As a season full of disappointments draws to a close, I would like to take this opportunity to thank my back-room staff of Joe McKeever, Graham Smith, Val Shearer, Les Scott, Les Bull, Adam Brazier, Barbara Vane and David Free for the greatly appreciated assistance they have given me.

A special mention to Steve Marshall for his support to me over the season and his excellent efforts regarding the match day programme, which again was of a very high standard.

Congratulations also to Steve on his election on to the Middlesex County F.A. where he succeeds myself (I am very glad to say).

My thanks to Nick DuGard and the rest of the Supporters Club Committee, also to Eric Fletcher and his Vice-Presidents for their continued support.

In closing a special thank you to you, the ever faithful supporters who have braved all kinds of weathers to watch the team during these troubled times.

Have an enjoyable and restful summer, see you in August, let's hope for better things next season.

**PETER BRAXTON, Football Secretary**

## **SUPPORTERS CLUB NEWS**

Tonight we extend a warm welcome to the supporters of Maidstone United for our final GMVC match this season.

It has to be said, of course, that tonight is a very sad occasion for Wealdstone Football Club. The hammer blow of relegation has not yet really sunk in, although all of us knew in our heart of hearts that it would have taken a miracle to avoid the drop as long ago as December. This is no reflection upon the abilities of our current management team, and, as I've said in these notes before, we would probably not be in this position now if we had had the services of Tony Jennings a couple of months earlier. Circumstances however dictated that this was not a possibility and besides, who could possibly have predicted the turnover in team management, or the necessity to effect such changes?! What is done is done and nothing can now change the problems and mistakes of this season in terms of league position.

Positive steps **have** been taken to alter the course of this Club's fortunes. In all my years at this Club I have never felt so much need, with others, to contribute to change. Make no mistake that without such change I always honestly felt that the future of Wealdstone F.C. was in serious jeopardy. Loyalty and commitment have really been asked of us this season; it's easy to cope with success, but how do we handle failure? That is the real measure of ability.

A word of warning. There is much talk of a quick return to GMVC football, and this undoubtedly **must** be our **No.1** target next season. "We've done it before and we can do it again". **It won't just "happen"** however, and nothing is automatic in football, as in life. We will all have to work and support doubly hard next season if we are to stand a realistic chance of achieving that target.

Our best wishes go to Tony Jennings and his staff for next season. He will be aiming to build upon the vast improvement in team structure and playing performance we have seen over the past couple of months or so. One thing **is** for sure, and that is we have ended the season with a better team, with better spirit, than we started with last August!! That must auger well for 1988/89.

Back to tonight; we will be presenting the Jock Law Trophy to the Supporters Club Player of the Year. Our thanks to everyone who participated in the voting, and our congratulations to the winner. all will be revealed just prior to kick-off tonight.

Finally, enjoy the Summer and let's all have a rest from the traumas of 1987/88. I have a feeling, however, that some of us will be doing anything but 'resting' during this closed season!! Don't forget to keep in touch if you can help with Harrow Show' Layne Patterson will be organiser-in-Chief this year. Phone him on **01-423-3105**.

## **CHARITY MATCH**

**Nick DuGard**

The final game of the season here at Lower Mead will be a charity football match on Sunday 15 May, kicking off at 2.30pm. And it will give you a chance to see Stone's boss Tony Jennings in action! He is one of the guests turning out for the Harrow Observer against local side the Croftonians in a match played in aid of the St Luke's Hospice Observer Appeal.

The Observer team will include former Stone's winger and Spurs' double-winner Terry Dyson. Admission by programme is £1 for adults and 50p for senior citizens and children.

## **INTRODUCING MAIDSTONE . . .**

Maidstone have won the Alliance League once, in 1984, after having been runners-up the year before, and this should have led to Football League admission, but despite an excellent case, it was not to be.

With automatic promotion to the Fourth Division now available, it just remains for Maidstone United to repeat that success and win the Conference next season.

During the record breaking seventies and eighties, the club, last season, achieved another first, when having beaten Cambridge United at the Stadium in the first ever Sunday F.A. Cup tie there, they were drawn away to First Division Watford, the first time that the club had played a competitive match on a First Division ground.

In the F.A. Trophy too, it was record breaking time, as the club reached the quarter-final stage for the first time, before going out to Burton Albion in a replay and finishing third in the Conference after a previously disastrous season, meant that Bill Williams had restored pride and passion.

Last November, Bill Williams relinquished team management duties to concentrate on the ever expanding work of administering the club and stadium and John Still came from Leytonstone/Ilford as team manager. His duties are solely in team matters and this new development, means that Maidstone United now have a very formidable all round management structure to take them into the future.

**MARK BEENEY:** Joined the club in July 1987 from Gillingham having been on loan for the latter half of the previous season. No other clubs. Has played local representative soccer.

**DAVID JACQUES:** Full back, formerly with Leystone and Ilford, and Dartford.

**MARK HILL:** Spares Manager. Came to Maidstone in July 1984 from Wycombe Wanderers having also played for Queens Park Rangers and Brentford. Has played for London Schools, Middlesex Schools and the F.A. XI.

**TONY PAMPHLETT:** Carpenter. Joined Maidstone from Dartford in the summer of 1986 for a four figure fee. His other club was Cray Wanderers. Has played for Kent Schoolboys.

**ALAN RISK:** Insurance Broker. Signed from Dagenham for £4000 in August 1987. He has previously played for Gravesend and Northfleet, Coventry City and Orient. Has represented the F.A. and been a member of the England Mid Level squad.

**PAUL GOYETTE:** Window fitter. Signed from Dagenham in January 1988 for a fee of £6000. His previous clubs are West Ham United and Tilbury. Has played for the Army Services XI and the F.A.

**NIGEL DONN:** Picture Framer. Signed for Maidstone in the summer of 1983 from Orient, his only other club has been Gillingham. Has played representative football at Youth level in Kent.

**JASON WHEELER:** Financial Executive. Signed for the club in July 1987 after graduating through the Youth and Reserve Teams. Has also played for Canterbury City. His representative honours have been at local and County Youth level.

**JOHN DOCKER:** Eurobond broker. Joined Maidstone from Dagenham in January 1988 for a fee of £2000. His previous clubs have been Barnet and Enfield.

**STEVE BUTLER:** Clerk. Joined Maidstone from Brentford in June 1986 after a loan spell the previous season. His previous club was Wokingham. He has played representative football for the Army and the F.A. XI.

**TONY ROGERS:** Bricklayer. Joined Maidstone in March 1987 from Barking for £2500. He has also played for Basildon United, Leytonstone/Ilford, Tilbury and Dartford. Has played representative football for the Vauxhall-Opel League.

**MARK GALL:** Joined Maidstone in January 1988 and has made a big impact. At the time of writing, he leads the GMVC April goalscorers with 7.

**JESSE ROAST:** Roofer. Joined Maidstone from Barking in January 1987. His other clubs have been Brighton and Hove Albion, Dagenham and Walthamstow Avenue. Has played for Essex Schools and London Schools.

## AWAY TRAVEL

Good evening everyone and welcome to our last GMVC fixture for this season.

It really has been a bitter pill to swallow being relegated, but as per usual the support has been marvellous. Although our home gates have left a little to be desired, the away support that we take is superb. I don't think many teams in non-league football, let alone the Football League can boast the fervent following that Wealdstone take away from home.

Many thanks to the "regulars" who travelled on the coaches to most of the away games. There are too many people to individually thank in this column, but they know who they are and no doubt they'll be back next season. There are however, two names that I would like to mention:- Special thanks to TONY MAIDMENT, who takes all your money and I really am grateful for his help and assistance on the away games. Cheers Tone! - Secondly, CLUB CANTABRICA COACHES LTD, who I think you will agree, have supplied us with a wonderful service and superb coaches all season.

Looking back on this season there have certainly been agonies and ecstasies! Remember the 'War of Tamworth' and the mad days at Boston and Banbury? However at the end of the day, I know you will all (and probably more) be back next season for our 'tour' of the Southern League, or whatever league we're in.

Looking at next season, coaches will be running to as many games as possible and your support is essential to guarantee as many people can see Wealdstone play away. I would obviously like to see more people... use the coaches, so perhaps you might have some ideas as to how I can 'persuade' more people to travel. Therefore, any new (or old) ideas or suggestions to possibly improve the coach services will be welcomed by me, and I invite anyone to write to me c/o the Football Club, when they will receive my immediate considerations.

The Southern League? How many times will we travel south next season? Maybe half a dozen times! Most of the time we'll be hammering up and down the M1 and M6 going to Birmingham and surrounding districts. Lovely!!

This probably sounds like sour grapes. Well it is. So let's really get behind the 'new' Wealdstone next season and reclaim our rightful place, back in the GMVC. Remember the last time we were in the Southern League. Deja Vu?

Have a great summer and I'll see you all next season.

## SUDHIR RAWAL'S COLUMN

Welcome to my last column for the season.

I write the next two paragraphs with my hat of co-editor of **"The Elmslie Ender"** firmly on. The magazine is an independent voice of the supporters of this great club. It is the only forum for both you and I, to express our feelings about what is, or isn't, going on at Lower Mead. At present, ninety per cent of the magazine is written by Martin Lacey and myself. We do need more articles from other people otherwise the content will become predictable, staid and dull. Issue 7 will be out at the beginning of the season. The aim is to have the usual articles but also to make it into a year book, with a full preview of whatever league we find ourselves in - any details of good pubs and ground details would be appreciated - interviews with some players and information on new signings. The subscription for next season's five issues will cost £3.50 incl. p & p. It was our aim to have 'The Elmslie Ender' awards at the end of the season, but because of the lack of space in issue 6½, it wasn't possible. So I've included them here: Player of the Year; Idiot of the Season; Best goal conceded by Wealdstone in the last 5 minutes of a match; Best away trip of the Season; Worst away trip of the Season; Best goal of the season; Tackle/Foul of the season; Match of the season; Best supporters to visit Lower Mead; What do you like least and dislike most about 'The Elmslie Ender'. Replies by the end of May, as well as any articles, to 37 Grange Road, Kenton, Middlesex HA1 2PR. Please write in.

I don't know how many people know that Aaron Gransby has been moved off the sports coverage and put onto the newsales of the Harrow Observer. This means that now only one person will run the whole sports department. Remember, it was Aaron Gransby who broke the Morrill attempt to purchase Watford; it was Gransby who has increased the size of match reports and general coverage of Wealdstone. I don't know about the internal politics of the Observer, but I can only think it is one of two reasons. Firstly, the editor wants to reduce sports coverage, or secondly, this move is due to official jealousy - a common problem in this country where fools like Eddie "the Eagle" Edwards are hailed as heroes, but those people who actually achieve something are knocked off their pedestal. For whatever reason, it is a negative and retrograde step, the coverage of Wealdstone F.C. will suffer. Aaron has the contacts within the club and a new person would need time to build up the repartee. Timing of this move is significant, it has occurred at the end of the football season. Many people, only purchase the Observer for coverage of Wealdstone. We are hardly going to notice any reduction in coverage during the close season. Wealdstone does deserve more column inches than any other local club. This season's average attendance will finish around 750, nearly four times larger than any other local club and more than all the other local clubs put together. I know many people who don't go to Lower Mead regularly anymore, but purchase the Observer to read about Wealdstone. Surely coverage cannot and should not be reduced, as what other activity - apart from shopping at Debenhams - attracts so many people on a Saturday afternoon in Harrow?

Well, on to the recent matches in the Conference, and Kettering certainly blew it! After defeating Lincoln 2-0 and joining them on 75 points, they were then demolished 3-0 at home by Runcorn, and then lost 2-0 at Trophy Finalist's Enfield to end their championship hopes. Full credit to Kettering though. Nobody gave them a chance and it would have been a remarkable achievement had they pipped the two leading contenders. 4135 watched Kettering beat Lincoln, the largest at Rockingham Road in Alliance history. Lincoln were then held 1-1 at home by Maidstone and if you saw the goals on 'Football Focus' last Saturday you will certainly be excused for wondering how one of the goals was allowed to stand. The hand of God resurfacing at Sincil Bank? Lincoln then defeated Stafford 2-1 in front of 4402 and Wycombe in front of 9432(!) to clinch the championship. Barnet won 2-0 at Welling in front of 2517, but they required a similar result against Runcorn last Saturday to have won the league.

At the opposite end of the table, Bath City joined Wealdstone and Dagenham for the drop. They were defeated 2-1 by Runcorn, who have proved to be a most unpopular team at the end of the season! Bath, amazingly then won 2-0 at Macclesfield to quell any hopes we had of attaining the 20th position.

Stafford Rangers missed out on 5th position when they lost 3-4 at home to Boston on Monday, and Telford, who defeated Fisher last Friday 2-1, finished 5th, one place behind Runcorn.

If you are looking forward to playing Nuneaton and Chelmsford next season, then forget it! Both clubs appear to have been relegated from the Beazer Homes Premier, so do not think it will be easy next season!

Finally, I hope you have enjoyed my articles this season and see you in August. Good Luck and Wishes to Wimbledon in the F.A. Cup, (note Editor, a Liverpool admirer, reluctantly allows this in), Telford Utd in the Trophy, Middlesex in the County Championship and let's hope England have a successful, and more importantly, a trouble free European Championship.

## **MATCHES FROM THE PAST BY ROY COUCH**

### **Five years ago . . .**

Alliance Premier League

Wealdstone: Goddard, Waddock, Pearce, Byatt, Bowgett, Wainwright, Davies, Margerrison, A. Cordice, Graves, Johnson. (sub. Waites)

Mark Graves with a hat-trick scored in the 38th, 75th and 81st minutes was the 'Man of the Match'. Our other goals was a 49th minute penalty taken by Stuart Pearce.

Wednesday 4th May 1983

Wealdstone (1)4 Kettering Town (0)0

### **Ten years ago . . .**

Southern League Premier Division

Wealdstone: Cranstone, McVeigh, Fursdon, Watson, Parratt, Barwick, Moss, Brinkman, Hockham, Duck, Briscoe

This was a re-run of the previous Wednesday's game which had been abandoned at half-time due to floodlight failure. Steve Hockham (11 mins) gave us the lead before Tommy Horsfall (18, 49) put the home side ahead. A 63rd minute equaliser from Bobby Moss earned us a point.

Wednesday 3rd May 1978

Dover (1)2 Wealdstone (1)2

### **Twenty years ago . . .**

Isthmian League

Wealdstone: Williams, Phillips, Waman, Townsend, McGuinness, Montague, Bremer, Harper, Swain, Lindsay, Hutchinson

Bernie Bremer scored a nonchalant hat-trick to shatter the aspirations of Wycombe who for 70 per cent of the game had us pegged back in our own half.

Saturday 4th May 1968

Wycombe Wanderers (0)1 Wealdstone (1)3

### **Twenty five years ago . . .**

Middlesex Senior Cup Semi-Final (at Hendon F.C.)

Wealdstone: Fowler, Low, Good, Richards, Ashworth, Townsend, Peel, Lindsay, Hughes, Jones, Evans.

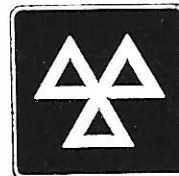

Saturday 11th May 1963

Wealdstone (1)4 Hayes (0)1

By beating a jaded and rather apathetic Hayes side at Claremont Road we ensured a repetition of the previous year's Final with the holders Enfield. Peel, Jones (2), and Hughes scored our goals. We went on to win the Final 2-0.

## **CLUB SHOP CHAT WITH TOBY JACKSON**

Welcome back to Lower Mead for this evening's final GMVC game of the season against our fellow 'Stones' from Kent. The Stones Trophy is little consolation for relegation blues, but it would be nice to end the season proper on a winning note and fill us all with hope for the 1988/89 season.

Being the last senior game of the season I should like to thank my helpers in the Club Shop, Dominic Whyley and 'part-timers' Steve Podro and Steve Brewer. Thanks too to the numerous contributors of programmes that have boosted Club funds, and to Steve Marshall for wisely censoring my articles when frustration has overcome good sense!

**Club Ties:** Wealdstone FC Club Ties are in stock and available at £6 to Supporters Club members only. The ties come in four colours: Royal blue, Maroon, Grey and Brown.

**Reading Material:** The new May edition of "When Saturday Comes" is on sale at 40p, once again providing an hilarious look at our National game. Issue 5 of the "Chelsea Independent" sells at 20p for those who like to keep in touch with happenings at Stamford Bridge. "Groundhopper" magazine is no longer available to Club Shops: this publication unfortunately will only be available by direct subscription, like "Pyramid", from now onwards. I have subscription forms for those who would like to continue obtaining this excellent magazine. The April issue of "Non-League Football Focus" is on sale at 65p for 24 pages of news from around the country. The April "Programme Monthly" has 60 pages of interest to collectors for £1. There are two excellent souvenir publications commemorating the F.A. Trophy win by Kidderminster Harriers last season. The £1 version looks at Harriers' progress to the Final and the squad that took them there, whilst the £2.95 Trophy Review includes a host of photos, many in full colour, that re-live their Wembley success. There are still copies of the latest edition of "The Elmslie Ender" on sale today though they are selling fast at 40p. A new publication on offer today is "Groundwork", a 81-page booklet giving maps of all the Non-League grounds in London from Alma Swanley to Yeading for £1.50. I can gladly order extra copies if demand is sufficient.

**F.A. NON-LEAGUE DIRECTORIES 1988:** I have obtained a further five copies of the Directories which are available on a first-come basis today. The soft-back volume has 738 pages of reference and interest to Non-League fans including six pages devoted to each of the Conference clubs. Tonight only there is a £1 reduction on the £8.95 book.

**Lapel Badges:** April lists of our selection of over 150 Non-League and 80 or so League and Scottish badges are available upon request. Badge trays in three different varieties are on sale to house badges of differing sizes beneath a transparent sliding lid. Ideal to show off your collection at its best! New badges on offer include my new productions for tonight's visitors Maidstone United, Southwick and Stevenage Borough.

**Programmes:** We have an excellent selection of current season League and Non-League programmes on show today to accompany the normal wide range of past issues. The Football Advertiser is free with every purchase. Sheets from our Capital League games at Gillingham and Orient are available, none being issued at Dagenham.

Well, another season draws to a close and it has certainly been one to forget. Somehow the trauma of our last experience of relegation is not in evidence this time as we have a base on which to build. Personally I find the prospect of witnessing the assembly of a side to take the Southern League by storm again an exciting one. New grounds to visit, new friends to make - some variety to rekindle our enthusiasm. Next season promises to be a memorable one. Enjoy your summer break till then.

## **THE 14TH INTERNATIONAL FOOTBALL PROGRAMME FAIR**

Admission on the day will be 80p. Thousands of programmes, books, badges, etc., will be available from some of the Country's leading dealers. ## **SIDELINES BY NEALE HARVEY**

Barring a miracle we are now relegated, no surprise really when you think that we haven't been out of the bottom three all season and only won five games. Next season I expect we will be re-acquainting ourselves with the Southern League and between now and August a lot of hard work will have to be done if we are to compete for top spot, the only spot that can guarantee promotion back. Unlike the last occasion we were in the Southern League, when we demolished most sides, standards have risen and we would be well advised not to underestimate the size of the task that lies ahead. With the Football League a tangible prize for any senior non-league club now, the battle at the top of the Southern 'Premier' for a place in the Conference will be very fierce indeed and the attitude of Wealdstone Football Club will have to be right. It's no use thinking that we're going to run rings around sides like we did last time. Bath City for one are a side that we never seem to get much joy from and like us they will be looking to mount a challenge for the title. Of the other clubs who will be expected to do well, Worcester City seem the best bet. They have a fine ground, a young side and a good following who will come out to watch a winning team. I expect them to be there or thereabouts as I also expect Merthyr Tydfil and Dartford to be. Dartford are always a team who seem to play snakes and ladders by going up one year and down the next. Under the guidance of England winger Peter Taylor they have run Aylesbury very close this season and at the time of writing the outcome had not been decided but Dartford will be a threat. Merthyr Tydfil are the club in form and if their confidence and attitude is maintained I see no reason to doubt that the Welsh side will finish in the top five. As well as those four clubs Bromsgrove, Cambridge and Burton will have to be watched. We can do it and we know it but the attitude has to be right!

*One of the bright spots of the last few weeks has been the form of Tony Lynch. I honestly can't remember seeing a winger like him in non-league football and the quality of some of the crosses he puts in after leaving two defenders tied in knots is outstanding. If you're reading this Lynchy all I can say is stay with Wealdstone, get the attitude right and you'll have a bloody good time next season, even at Corby!*

Well, that's it for the season. 'Hughie' has cut me a bit short this week which is probably just as well as I've got nothing else to write about anyway except a few good wishes. To Tommy English - thanks for helping us out mate, to Martin Lacey and Sudhir Rawal - thanks for the 'Elmslie Abuser', to our away supporters - brilliant!, to Joe McKeever - take the foot out of your mouth next season!, to Samson - keep smiling son!, to Alan Clifton - stay positive and thanks, to Jenno - you must be the first manager to relegate two clubs in one season but I know you'll get us back!
