The Munich 'Musketeers'

Tonight we welcome the T.S.V. Eching to Lower Mead Stadium and wish them a pleasant time during their three day stay in Harrow. Their visit is in conjunction with a German Wine and Beer Week organised by the Madhatter Restaurant.

The 'Musketeers' will be entertained at the Madhatter on the Monday and Tuesday nights by 'Herr Host' Robert Croft and it is understood that on those evenings there is 'no room at the inn'.

The Bavarians will, we feel sure, be quite at home, as the weeks festivities will include German music, food, wine and beer with the waitresses possibly in traditional dress. Could be worth investing a pfennig or two.

T.S.V. Eching have been most keen to visit us and we're sure that you will give them a typical hospitable 'Blues' welcome.

Our opponents are reported to be of Southern League Premier strength and we should see a very interesting game. It is happily coincidental that the match should be between 'The Musketeers' and 'The Royal Blues' and we sincerely hope that the two teams will produce the adventurous cut and thrust that the names suggest.

So, welcome again T.S.V. Eching—enjoy your visit to Harrow and your game with Wealdstone F.C.

The London Youth Games

These Games were first held in 1977 as The Silver Jubilee Youth Games with the finals held over two days at Crystal Palace. A 'Champion Borough' Cup was presented but no individual medals.

The Games presented an excellent opportunity to stage a Festival of 16 different sports where the youth of 33 boroughs could compete as a team.

As the Games were generally considered to be a success, it was decided to make them an annual event and this year, 1979, they were repeated as The London Youth Games, staging 18 different sports.

This year Individual Medals were presented in addition to the 'Inter Borough Cup' and Harrow carried off 17 medals.

It was noticeable that many boroughs were now turned out in some form of team uniform, ranging from tee shirts to track suits bearing the borough name. Harrow were only able to afford embroidered badges provided from the limited funds of The Harrow Sports Council.

In 1980 we should aim at sending our young sports people in some form of borough kit so that they may see themselves as a team and give each other support. It is hard to cheer your team on if you can't recognise them.

It is therefore hoped to raise money from various future events and possibly some sponsorship and Wealdstone Football Club have graciously agreed to inaugurate the Harrow, London Youth Games Fund 1980, with proceeds from this match tonight.

Wealdstone Football Club are doing their bit, so let us hope that others follow suit over the months ahead so that both our youth and the people of Harrow can be proud of their team on August 1st/2nd 1980.

Alan leaves for Tamworth

As you now know, it was mutually agreed at the weekend that Alan Fogarty accept the offer of Tamworth F.C. for their managerial post.

The change is certainly favourable to Alan with a three year contract with a club which is only a dozen miles from his home. We wish him every success with his new club and in order that he might 'get into harness' as soon as possible, the Board amicably agreed to free Alan before the expiration of his contract until the end of November.

Ken Payne, the Reserve Team Manager will take over and the post will be advertised in the national press. In the interim we wish Ken every success through a very difficult period.

Ken has been given the Boards full backing and will be the 'man in charge' of the playing side of things. He will be considered for the permanent post along with any other applicants. Ken's success with the Reserves has been watched with interest and similar motivation of the senior players could only benefit the club.
