**WEALDSTONE v. COLCHESTER U.**

November 12th, 1949. Kick-off 2.30 p.m.

### CLUB NOTES

It is twenty-one years since we met Colchester, at the time when we were both members of the Spartan League. In those days we were evenly matched and a close game usually resulted from our meetings. Since then Colchester have re-formed their Club and are now members of the Southern League and a professional organization.

They are having a very successful season so far and at present they are leaders of the Southern League with the following record:-

P.18, W.14, L.2, D.2, Goals 50 for, 22 against

Two seasons ago they hit the headlines with sensational victories in the F.A. Cup. It is a great pleasure to welcome them to Wealdstone again and look forward to a very interesting match.

Following are a few brief particulars about their players:-

Geo. Wright. Joined the Club this season from Plym'th Argyle; part-time pro, and a joiner by trade.  
"Digger" Kettle. A local discovery who turned part-time pro in 1946. Was a member of the Southern League representative side last season.

Doug. Beach. Another part-timer who joined the Club at the beginning of this season from Southend. Lives and works at Watford.

Harry Bearryman. One of the few full-time men. came in 1947 from Chelsea.

To-day's game is being televised the first occasion we have had this honour at Lower Mead and we thank the B.B.C. for this privilege.

In our team we have several problems, the final composition of the side will not be decided upon until a couple of hours before the game commences. Hayes is not available but fortunately Dyke is, while the centre-half position rests between a choice of Shaller and Edmonds.

Should there be a result to-day then next Saturday the first team will be at home in a League match. If to-day's game is drawn then we shall replay next Saturday at Colchester and coaches will be run and can be booked as usual.

As we expect a record crowd to-day may we ask everyone to pack in as closely as they can so that as many as possible can see this game.

The Reserve team and 'A' team both brought off brilliant victories again last Saturday in their cup games. Knapp scored five more goals making eleven in the last three weeks. The Reserves are away at Finchley to-day.
