Saracens end Gloucester run

SARACENS inflicted Gloucester's first home league defeat for two years after snatching a 19-17 win on Saturday night. The Premiership champions trailed to Ollly Morgan's first-half try and they never looked like winning until the end. But a late converted try from Brad Barritt helped Saracens keep up the pressure on leaders Harlequins. Sarries host Sale Sharks this weekend.

Anderson determined to keep Bates' feet on ground

by Joe Whitbread

HARROW BOROUGH manager Dave Anderson has urged Dagenham and Redbridge loanee Jon-Jo Bates to "keep his feet on the floor".

The 19-year-old striker joined the club on loan from the League Two side earlier this season and has already bagged seven goals in the Ryman Premier.

Bates scored both in Saturday's 2-1 win over Bury Town but Anderson insists the youngster is far from the finished article.

"He is very raw and has a great scoring record this season but he still has a long way to go," Anderson said.

"He certainly has the ability to play in the Dagenham team at some point but not yet.

"He has a great attitude, is a bubbly lad and has been a great signing for us. But he has to keep his feet on the floor. He always listens and is willing to learn but he needs to improve his performance outside the box with his hold-up play."

The win over Bury was the club's first league victory at home this season and lifted the Reds up to 13th.

It was even more impressive when considering the hosts had to battle back after conceding

in the opening 15 seconds.

"I did not even see the goal because I had not reached the dug-out," Anderson said.

"I feared the worst but it was a really nice lesson to me about the team's ability and mental attitude to come back.

"We spoke at half time about how we recovered from that and although they had a good chance after they went 1-0 up I thought we played really well.

"As a team I thought we looked good, worked hard and at half time seemed really confident and that is good for a manager to see that in his players."

The Reds face another difficult challenge this Saturday when they host AFC Hornchurch in the FA Trophy.

"It is going to be a tough game but I have been in dressing rooms when we have been favourites and I prefer being the underdog to be honest.

"The dressing room is a happy place to be. It is always great to have a happy room of players; we are in great form and they have confidence in themselves.

"It doesn't matter how much confidence you give a player, the most important thing is the belief they get out of their performances. It is a good place to be at the moment."

Stones hit form to sink Aveley

WEALDSTONE produced a dominant performance as they eased to a 3-0 win at Aveley in the Ryman Premier Division.

The Stones extended their unbeaten league run to three games and climbed into the top ten after this comfortable win.

Peter Dean made a welcome return to the side after serving his suspension and he came in for former Watford striker Scott Fitzgerald.

The Stones opened the scoring after just 11 minutes of the game when the recalled Lee Chappell beat the offside trap and squared the ball for Richard Jolly to tap home.

It should have been 2-0 minutes later when striker Jolly was released but his effort was blocked by home goalkeeper Dave McCartney.

Aveley came close to an equaliser in the second half through Sean Bonnet-Johnson but his powerful shot was brilliantly tipped over by Jonathan North.

The Stones doubled their lead midway through the half when Dean threaded the ball through to David Hicks. It looked like he had taken the ball too wide but he recovered to fire it past the goalkeeper.

Gordon Bartlett's side killed off the game eight minutes later when they grabbed the third goal.

Midfielder Hicks charged down the ball and Jolly made no mistake as he netted his second.

Jolly came agonisingly close to completing his hat-trick late on but he was denied by a decent block from Spencer Harrison.

It was the ideal preparation for Wealdstone ahead of their FA Trophy clash at Margate this weekend.

Their opponents have had a difficult start to the season but did manage a 1-1 draw at Grosvenor Vale back in August.
