HARROW Borough have confirmed that manager Steve Baker has extended his contract with the club by another two years.

In a statement released by chairman Peter Rogers, the club have said that they believe Baker's extension is an important part of their plans to start next season as strongly as possible after the current campaign was curtailed due to the Covid-19 outbreak.

It reads: "Harrow Borough Football Club are delighted to announce that manager Steve Baker has agreed to sign a contract to extend his stay with the club for a further two years. During the latest lockdown we have been examining ways of taking the club forward and are determined to hit the ground running when the new season starts. We see Steve as being a core part of these plans. We will be working hard to ensure that he has all the support he needs to see strengthened on-field performances."

Steve Baker added: "Following an extremely positive meeting with the Chairman and the board on Wednesday I have agreed to sign a new contract with the club for the next two seasons. Despite the tough times over the last year, the way the club has treated myself and the players has been first class and played a big part in my decision. There is also a lot of work going on behind the scenes to give the team every chance of an exciting season in 2021/22. Player recruitment has already started and I'm hopeful to announce some signings in the next couple of weeks."

"I'm raring to go again and the hard work starts again now."

"I look forward to seeing all the supporters when we return."

## Stones lose to late goals

By Ryan Gray

BOREHAM Wood broke a run of seven straight draws in the National League with a 3-1 win over Wealdstone at the weekend.

The game looked like it could be heading for a 0-0 draw after 71 minutes but the game sprung to life in the late stages, with Kabongo Tshimanga scoring twice in the last 10 minutes to win it as Craig Fasanmade was dismissed for the visitors.

Jamal Fyfield headed home from a free-kick in the 72nd minute to give Boreham Wood the lead but Wealdstone were level 10 minutes later as Dennon Lewis teed up Jacob Mendy on the edge of the box.

Parity lasted just two minutes as Tshimanga fired into the roof of the net and Wealdstone were in more trouble in the 90th minute as Fasanmade was sent off after an altercation with Tom Champion.

Tshimanga then rounded the goalkeeper to score after Kieran Murtagh's chipped pass in stoppage-time.

Stones manager Stuart Maynard said he was disappointed for his side to have conceded twice late on after levelling the

tie.

He told the club website his side were simply worn out by the end of the match.

"We rolled with the punches, were 1-0 down and responded really well, got picked back later on and it's gutting," said Maynard.

"Considering we scored probably in the 82nd minute, it's disappointing. Scoring in the 82nd minute and then to end up losing 3-1, but you've gotta give them credit. They're a good team. They've got lots of pace all over the pitch and lots of quality, but it is frustrating to get that equaliser that late on in the game."

"We were tired, had tired legs and they moved us about the pitch to be fair to them."

"We take the positives from the performance. I thought Craig Fasanmade come on and was excellent and was a real threat."
