All out for just 29!

STANMORE established a new record for the Mayor of Harrow's 20-over Knockout Cricket Trophy on Tuesday evening when they dismissed West Harrow for just 29 runs - the lowest ever total in the 30 years of the competition.

It could have been much worse for West Harrow, for at one stage the trophy holders had them at 9 for 9 in their semi-final clash of Bessborough CC before the last pair added 20 runs.

Stanmore knocked off the required runs without loss in just 4.3 overs to book their place in the final, which will take place at Harrow's Payne's Folly ground on Thursday July 15.

Their opponents will be either Bessborough or Harrow Town who were playing their semi-final at Kenton last night (Wednesday).

In the Mayor of Harrow's Plate competition, the quarter final draw is as follows: North London Poly v Tenterden; Harrow v Parkfield; South Harrow v Kodak; Old Lyonsians v Oakdale.
